Illinois Environmental Protection Agency
Division of Air Pollution Control
ERMS Seasonal Emission Component of the Annual Emission Report for _____

Id Number _____ Source Name _____

Source Location Address _____

Hazardous Air Pollutant (HAP) Seasonal Emissions

Yes	No	
		1. To your knowledge, did emissions of any HAP increase at your source due to receipt or expected receipt of additional Allotment Trading Units (ATUs)?
		2. Based upon information for determining if your source emitted a HAP that must be reported pursuant to 35 Ill. Adm. Code 254.501(b), or information that you otherwise obtained, did your source emit any VOM HAP in an amount of 1,000 pounds per year or more that is not subject to the reporting requirements?
		3. Since the due date of the last Seasonal Emissions Report required to be submitted, has the source replaced a VOM with a HAP that is not a VOM?

Pollutant Code	**Pollutant Name**	***Actual HAP Emissions for the Season (lb)**
