

Distearyl Dimethyl **IM:A05/0367**

Ammonium Chloride

Obsolete, distearyl dimethyl ammonium chloride (C₃₈H₈₀N.Cl), 2,200 pounds available one time only, 100 pound minimum, MSDS on request.
Cairo, IL

EPI-Cure 3046 **IM:A05/3105**

385 gallons blended organic amine, raw material, EPI-Cure 3046, available one time only, sample available on request.
Hampshire, IL

Epoxy Resin **IM:A05/8031**

Obsolete raw material, 63% epoxy resin 828, 37% bisphenol A, EPA-REZ 2379, manufactured by Rhone-Poulenc, 1,231 pounds available one time only, sample on request.
Elgin, IL

Epoxy Solution **IM:A05/8032**

Obsolete raw material, W.R. 1199 epoxy solution, manufactured by Cargill, 8,179 pounds available one time only, sample and MSDS on request.
Elgin, IL

Fire Extinguisher Powder **IM:A05/8078**

Excess fire extinguisher powder, sodium bicarbonate, potassium bicarbonate, used for filling dry chemical extinguishers, non-hazardous, non-regulated, two-55 gallon drums per year, sample and lab analysis on request.
Northbrook, IL

Furfuryl Alcohol **IM:A05/0297**

Overstock material available one time only, 8 drums (440 gallons) furfuryl alcohol, CAS # 98-00-0, MSDS on request.

Confidential Listing

Intercool TN-401 Glycol **IM:A05/0293**

Virgin material, intercool TN-401 glycol, 440 gallons in fifty-five gallon drums available one time only, sample and MSDS on request.

Fisher, IL

Laboratory Chemicals **IM:A05/8083**

Various laboratory chemicals in various bottle sizes, MSDS and complete inventory list is available on request.
St. Louis, MO

Latex Anti-Crater **IM:A05/8025**

Obsolete raw material, Troykyd latex anti-crater, "Troysol LAC" mfg. by Troy Chemical, 397 pounds available one time only, sample and MSDS on request.

Elgin, IL

Latex Interior Paint **IM:A05/3115**

Reconditioned, recycled interior latex paint from IL EPA Partners in Waste Paint collections, colors are; beige, gray and green, 400 gallons in bulk drums or five gallon pails now available, no amount restrictions.

Decatur, IL

Maleic Anhydride **IM:A05/0355**

Now available 17,775 pounds maleic anhydride, white solid or a clear colorless liquid, flashpoint 215° F, used in unsaturated polyesters, resins for paints and coatings, generate 55 gallons per week, sample, lab analysis and MSDS on request.

Confidential Listing

Mixed Organics **IM:A05/6105**

Liquid mixed organics containing esters, glycols, diols, 25,000 pounds in bulk quantities, sample and MSDS on request.

Confidential Listing

Organic Brightener **IM:A05/0347**

Obsolete MacDermide brand organic salt, NiMAC 14 index, one hundred gallons available one time only, MSDS on request.

Princeton, IL

Oxygenated Solvent **IM:A05/0225**

Oxygenated solvent from equipment flushing, MEK, IPA, exxate and SBA, mostly flammable with trace amounts of vinyl and lube oils, 5,500 gallons per month, sample and lab analysis on request.

Channahon, IL

Paint **IM:A05/6101**

Surplus vinyl rich zinc paint, total 229 gallons; 35 - five gallon pails and 24 - one gallon pails, MSDS on available request.

St. Louis, MO

Paint **IM:A05/8256**

Obsolete material, water based paint, unopened, 25 gallons in five gallon unopened pails, available one time only, MSDS on request.

Libertyville, IL

Paint **IM:A05/0295**

Surplus Sherwin Williams polyurethane enamel paints, various colors, hazardous organic and inorganic, 64 one gallon metal cans available one time only, MSDS on request.

Confidential Listing

Paint **IM:A05/9147**

Obsolete paint products, silicone alkyd, high heat and high solids bake enamels, 825 gallons brown, 165 gallons gray, and 130 gallons red, available one time only, no amount restrictions, MSDS on request.

Chicago, IL

Paint Additive **IM:A05/8030**

Obsolete raw material, BYK-VP-020, paint additive manufactured by Mallinckrodt, 75 pounds available one time only, sample and MSDS on request.

Elgin, IL

Piperazine Anhydrous **IM:A05/5131**

Piperazine anhydrous used for manufacture of pharmaceuticals, polyamide resins and urethane chemicals, 990 pounds available one time only, specifications and certification of analysis on request.

Rolling Meadows, IL

Piperazine Hexahydrate **IM:A05/5132**

Piperazine hexahydrate, for use in fibers, insecticides, pharmaceuticals, laboratory reagent, and antehelminthic, 3,080 pounds available one time only, specifications and certificate of analysis available on request.

Rolling Meadows, IL

Photographic Matte Lacquer **IM:A05/0132**
Discontinued process, available one time only photographic matte lacquer (finish) 30% toluene, 15% isopropyl alcohol, 46 gallons in one gallon cans, sample and MSDS on request.
St. Louis, MO

Plating Additive **IM:A05/0346**
Obsolete MacDermide brand plating additive, NiMAC 8146, one hundred tons available one time only, MSDS on request.
Princeton, IL

Polyalkylene Oxide **IM:A05/5134**
Polyalkylene oxide modified polymethylsiloxane, also called Silwet L-7607, 436 pounds available one time only, sample, lab analysis and MSDS available on request.
Rolling Meadows, IL

Polymer **IM:A05/8033**
Obsolete raw material, W.R. 7459, soya fatty acid alkyl polymer, manufactured by Cargil, 6,749 pounds available one time only, sample and MSDS on request.
Elgin, IL

Powdered Cellulose **IM:A05/2405**
Obsolete Solka Floc, powdered cellulose, approximately 120 fifty pound bags, on pallets, shrink wrapped, unopened, MSDS available on request.
Chicago, IL

Providone Iodine **IM:A05/4168**
Outdated 1/2003) providone iodine 10%, 400 - 500 gallons total in original one gallon containers packaged 4 gallons to the case, located in NE Iowa.
Tipton, IA

Quaternary Ammonium Chloride **IM:A05/3104**
13% n-alkyl (C12-18) -n,n-dimethyl-n-benzyl ammonium chloride (CAS 68391-015), 14% n,n,didecyl-n,n-dimethyl ammonium chloride (CAS 7173-51-5), 13% alkyl (C12-18) dimethyl ethyl benzyl ammonium chloride (CAS 68956-79-6), 10% n-alkyl (C12-16)-n,n-dimethyl-n-benzyl ammonium chloride (CAS 8001-54-5), 6% ethyl alcohol, denatured (CAS 54-17-5), 63,500 pounds available one time only, sample and MSDS on request.
Joliet, IL

Resimene **IM:A05/8028**
Obsolete raw material, Resimene 740 manufactured by Monsanto Chemical, 500 pounds available one time only, sample on request.
Elgin, IL

Resin Solutions **IM:A05/2390**
We have a variety of different resins in liquid form, pure, unused, 55 gallon drums, sample and MSDS is available on request.
Channahon, IL

Resin Solutions **IM:A05/2391**
Pure, unused, polyester and styrene resins in liquid form, 55 gallons now, sample and MSDS available on request.
Chicago, IL

Resin Solutions **IM:A05/2393**
Unused, pure, variety of different resins in liquid form, 55 gallon drum, sample and MSDS available on request.
Granite City, IL

Resin Solution **IM:A05/8026**
Obsolete raw material, urethane associative thickener, urethane based resin solution, "Reheolate 278 mfg. by Rheox, 5,541 pounds available one time only, sample and MSDS on request.
Elgin, IL

Retone SD1 **IM:A05/0301**
Raw material, Retone SD1, proprietary formulation, rheological additive, 2,000 pounds available one time only, sample and MSDS on request.
Hampshire, IL

Sodium Saccharine **IM:A05/0352**
Obsolete MacDermide brand Ninnac 339, sodium saccharine, 2-5% saccharine, nickel plating brightener, two hundred pounds available one time only, MSDS on request.
Princeton, IL

Sodium Saccharine **IM:A05/0351**
Obsolete MacDermide brand Ninnac 339, sodium saccharine, 10-15% saccharine, nickel plating brightener, two hundred pounds available one time only, MSDS on request.
Princeton, IL

Sorbitan Trioleate **IM:A05/9235**
Forty-four 55 gallon drums sorbitan trioleate, Atsurf-S-85, specification material available one time only, minimum ten drums, sample and MSDS on request.
Cypress, TX

Spent Salt **IM:A05/5136**
Spent salt from salt skimming, no longer an oxidizer, chunks, variable quantities in 1,500 pound cubic yard bags, sample, lab and independent analysis and MSDS on request.
New Haven, MO

Styrene Monomer **IM:A05/9001**
Styrene monomer, vinyl benzene from polymerization reaction, 85-90% styrene, 10-15% 4-vinyl cyclohexene, 3,000 gallons per month, minimum transfer 6,000 gallons, sample and MSDS on request.
Mt. Olive, NJ

Sulfur Dioxide **IM:A05/8345**
Liquid sulfur dioxide from old refrigerators, no flashpoint, reactivity stable, colorless gas, 1,000 pounds in 500 pound cylinders now, 500 pounds per year, no amount restrictions, MSDS on request.
Confidential Listing

Tile Cement **IM:A05/8295**
Obsolete material, tile cement, purchased in 1991, petroleum asphalt CAS # 8052-42-4, tall oil rosin, clay, additives, chocolate brown in color, 55 gallons in five gallon buckets available one time only, sample and MSDS on request.
Melrose Park, IL

Trimethyl Citrate **IM:A05/0137**
Obsolete raw material, trimethyl citrate, 600 pounds in 55-gallon drums available one time only, no amount restrictions, sample on request.
East Hazelcrest, IL

Urethane **IM:A05/9140**
Unused academic research material, ethyl carbonate (urethane), combustible, cancer suspect agent, approximately 1,500 grams available one time only in glass jars, MSDS on request.
Confidential Listing

Water Base Paint **IM:A05/0249**
Virgin material, three-six months old, 30-50 gallons water base paint available one time only, material available in Aurora and Yorkville, IL, sample and MSDS on request.
Elmhurst, IL

di-tertiary-butyl Peroxide **IM:A05/9146**
Surplus raw material, di-tertiary-butyl peroxide, C₈H₁₈O₂ organic peroxide, six drums (330 gallons) available one time only, sample and MSDS on request.
Sauget, IL

Butyl Formcel **IM:A05/8244**
Discontinued raw material, 53% n-butanol, 40% formaldehyde, 7% butoxy methanol, flashpoint 134° F, specific gravity 1.08, available one time only 1,100 pounds, sample and MSDS on request.
Detroit, MI

p-dichlorobenzen **IM:A05/9139**
Unused academic research material, 100% p-dichlorobenzene, CAS 106-46-7, penetrating odor, white crystals, combustible, cancer suspect agent, approximately five kilograms available one time only, MSDS on request.
Confidential Listing

Oils & Waxes

Asphalt **IM:A06/0139**
90% liquid asphalt elastomer thermosetting compound, two part material, part B: 10% aromatic isocyanate, 1,000 drums available one time only, no amount restrictions, sample and MSDS on request.
West Ridge, AR

Chlorinated Wax **IM:A06/0298**
Raw material available one time only, chlorinated wax manufactured by Dover Chemical, 1,200 pounds, sample and MSDS on request.
Hampshire, IL

Compound Grease **IM:A06/4135**
Unused material, bentone release compound grease, heavy naphthenic hydrotreated distillate, fifty-three 400 pound drums available one time only, sample and MSDS available on request.
Calumet Park, IL

Cutting Oil **IM:A06/0353**
Slightly used grinding/cutting oil, chlorine free, viscosity 75 (SUS @ 100° F), 1,000 gallons available one time only, will transport anywhere in Chicago-land area, drums returned.
Bloomington, IL

Fatty Acids **IM:A06/0339**
Fatty acids, produced as distillate from physical refining of vegetable oil, solid form is off-white to tan in color, liquid is light yellow in color, 630 gallons in drums, variable supplies no amount restrictions, sample and lab analysis on request.
Monticello, IL

Food Grade Grease **IM:A06/9158**
Food grade homogenous grease, opaque, mild odor, 60 - 80 pounds now, 10 pounds available per month, sample on request.
Clayton, MO

Grease **IM:A06/8003**
Hydrocarbon grease, 251 HEP, .1 other miscellaneous contaminants, >400° F flashpoint, yellow-green in color, 10 gallons now, 55 gallons monthly, no amount restrictions, lab analysis on request.
East Moline, IL

Grease **IM:A06/9221**
Unused obsolete hi-temp grease, 4,000 pounds available in 35, 120 and 400 pound sizes one time only, sample and MSDS on request.
Milwaukee, WI

Industrial #400 Fuel **IM:A06/8053**
Recycled waste oil, treated, industrial #400 fuel to be used with #2 or #6 fuels, unlimited quantities on continuous basis to Midwest regions, sample and MSDS on request.
Confidential Listing

Lithium Grease **IM:A06/0260**
Surplus unused material, lithium grease, 360 pounds in drums available one time, maximum amount restriction, MSDS on request.
Confidential Listing

Lubricant **IM:A06/4154**
Severely hydrotreated petroleum sulfonic acid 5-10%, base stock 70-100%, polyether polyol < 1%, antioxidants 1-5%, 1,400 gallons in gallon cans available one time only, sample and MSDS available on request.
Geneseo, IL

Matting **IM:A06/0239**
Discontinued interior grade safety anti-slip stress-matting, in six colors, also interior/exterior anti-slip stress-matting in three colors, all sections measure 12" X 12" X 3/4", boxed 81,000 cubic feet available one time only, sample on request.
Chicago, IL

Mineral Oil **IM:A06/2379**
Outdated Cannon Calibration fluid, 100% mineral oil in 25 cases of 120 ml bottles, 20 bottles to a case, available one time only, sample and MSDS on request.
Auburn, IL

Oil IM:A06/0122
Unused material, Kinney vacuum pump oil, type A, six factory sealed drums available one time only, sample and MSDS on request.
Hampshire, IL

Oil IM:A06/8118
Industrial #400 fuel from oil changes in automobiles, 450,000 gallons now, 50,000 gallons per week, sample, lab analysis and MSDS on request.
Wayland, MI

Oily Water IM:A06/0360
3,000 gallons per month, used oil and water mixture from industrial operation, sample available on request.
Savanna, IL

Petroleum Oils IM:A06/2392
Various grades of petroleum oils available on continuous basis, 55 gallons now, future quantities vary, sample and MSDS available on request.
Granite City, IL

Polyalkylene Glycol IM:A06/2421
Crisanol FP-1400 synthetic lubricant used with high pressure compressors, 133,000 pounds in drums, variable supplies, sample and MSDS on request.
Houston, TX

Polyalkylene Glycol IM:A06/0336
Obsolete material, 200 gallons polyalkylene glycol, water soluble oil for soldering applications, clear colorless liquid, mild odor, in original containers (3 of 4 unopened), available one time only, sample and MSDS on request.
Lexington, KY

Rust Preventative IM:A06/0203
Obsolete virgin material, rust preventative, naphthenic oil, 3,300 gallons in 275 gallon totes available one time only, no amount restrictions, sample and MSDS on request.
Elizabethtown, KY

Tapping Compound IM:A06/9211
Obsolete material, tapping compound, chlorinated paraffin in petroleum oils, alkyl phenol ethoxylate, flashpoint >400° F, oily amber yellow liquid, 220 gallons available one time only, no amount restrictions on transfer, sample and MSDS on request.
Melrose Park, IL

Used Oil IM:A06/0361
2,000 gallons per month, used oil from machining, tapping industrial operations, sample on request.
Savanna, IL

Used Oil IM:A06/8170
Recycled used oil, less than 4% BS & W, 20,000 gallons per month, no amount restrictions, sample on request.
Confidential Listing

Vegetable Oil IM:A06/0340
Vegetable oil byproduct, potential feed additive, 2,715 gallons in drums, variable supplies thereafter, sample and lab analysis on request.
Confidential Listing

Waste Oil IM:A06/0124
Waste oil used for testing rebuilt electric motors and generators, approximately 1,200 gallons now, 500 gallons generated per year, lab analysis on request.
Joliet, IL

Waste Oil Sludge IM:A06/9212
Waste oil sludge from aluminum rolling mill process, petroleum, aluminum oxides, no volatile organics, 8.2 pH, 14.2% H₂O, 14500 BTU/lb, 440 gallons in drums now available, 55 gallons per week, no amount restrictions, sample & lab analysis on request.
Davenport, IA

Plastics & Rubber

Acrylic Resin Solution IM:A07/0140
40-80% acrylic resin solids from resin manufacturing process, 20,000 pounds per quarter, no amount restrictions, sample, lab analysis and MSDS on request.
Confidential Listing

Adhesive IM:A07/0138
Water resistant label adhesive, contains synthetic rubber, resin and naphtha, 468 gallons in one gallon cans, available one time only, no amount restrictions, sample and MSDS on request.
West Ridge, AR

Buckets IM:A07/0357
Two gallon polyethylene buckets without handles, may contain a film or small quantity of inert polyester resin and CaCO₃ fill, non-soluble, 1,000 per day, MSDS of contents available.
Somonauk, IL

Buckets IM:A07/9011
Five gallon HDPE buckets, either epoxy or resin residue approximately one inch bottom, 700 buckets per month, no amount restrictions, sample and MSDS of epoxy or resin available on request.
Harrodsburg, KY

Bulk Bags IM:A07/0175
100% polypropylene used bulk bags, many sizes in stock ready to ship, can be used for packaging of dry, free flowing products, no amount restrictions, sample on request.
Malvern, AR

Containment Units IM:A07/2407
Four polyethylene IBC containment units with steel frame, capacity 385 gallons, can be used for spill containment available one time only.
Woodstock, IL

Crumb Rubber IM:A07/9063
Crumb rubber from grinding, CR, SBR, HNBR, SIR, 1,000 pounds now, 20,000 pounds per month, sample and MSDS on request.
Ottawa, IL

Cured Polyurethane **IM:A07/8065**
Orange polyurethane generated from casting process, 20,000 pounds available, 2,000 pounds per month, sample and MSDS on request.
Neponset, IL

EPDM Polymer **IM:A07/4167**
Obsolete, Nordel 2522 Polymer, expired for use by current holder, 844 pounds boxed on skid available one time only, MSDS is available on request.
Elgin, IL

FRP Pultrusions **IM:A07/9199**
Glass fiber-reinforced plastic, fibrous glass, polyester resin, 1% multi-component adhesive, 40% glass content, random sizes, shapes and colors, colors based on resin used, two to four drums per week, no amount restrictions, sample on request.
Oshkosh, WI

Fiberglass **IM:A07/0177**
Various sizes and shapes of fiberglass cutting, neutral pH, white in color, 100% solids, 2 cubic yards per week, sample on request.
OshKosh, WI

Fiberglass **IM:A07/8223**
Fiberglass from filter media production, 75% SG80 glass, 25% cured urea-formaldehyde resin, 20-30 micron fibers, shredded, 5-7 tons generated per day, sample and MSDS on request.
Fayetteville, AR

Fiberglass Composite **IM:A07/8152**
Epoxy/fiberglass composite, short lengths 1.5 and 3.0 feet, (8"-20" diameter) pipe, suitable for fabrication into small tanks or joined for culverts, non-toxic, 2,500 cubic yards now, 3,500 cubic yards per month, sample on request.
Little Rock, AR

Foam **IM:A07/8294**
Clean foam from shoe insert manufacturing process, polyurethane, cellulose, five tons per month, no amount restrictions, sample on request.
Rolla, MO

Ground Rubber **IM:A07/6114**
Continuous supply of ground rubber from rubber belts, currently 20-30 tons on hand, sample and MSDS will be available.
Ottawa, IL

Ground Rubber **IM:A07/8102**
Ground rubber from tire balancing and white-sidewall grinding, non-toxic, non-hazardous, 55-65% moisture content, 200,000 pounds per month, no amount restrictions, sample on request.
Mt. Vernon, IL

HDPE **IM:A07/2418**
Miscellaneous detergent bottles, buckets, drums, film and other #2 HDPE bottle grade material, intended use processed (ground) to be reused, continuous supplies monthly, no amount restrictions, sample on request.
St. Louis, MO

HDPE **IM:A07/9182**
Obsolete, natural high density PE regrind, Bapolene 3001, clean and FDA approved, 31 gaylord boxes available one time only, sample and MSDS on request.
Bentonville, AR

HDPE Sheets **IM:A07/8233**
HDPE waste packaging material, sheets: 40" X 48" X 0.027" and 33" X 33" X 0.027 with 5" X 5" corner cut out, one ton per month, sample on request.
Kankakee, IL

Latex Granules **IM:A07/9204**
Latex granules with urea, roughly 17% nitrogen value, fifteen 55 gallon drums available one time only, no amount restrictions, sample on request.
East Dubuque, IL

Latex Rubber **IM:A07/8267**
Non-powered latex rubber gloves, from electronic assembly, some ballpoint pen ink, 3,600 pounds, future quantities will vary, sample on request.
Confidential Listing

Matting **IM:A07/0239**
Discontinued interior grade safety anti-slip stress matting, in six colors, also interior/exterior anti-slip stress matting in three colors, all sections measure 12 X 12 X ¾, boxed 81,000 cubic feet available one time only, sample on request.
Chicago, IL

Mixed Plastics **IM:A07/6120**
3/8" regrind, 30% each PS, PP, and PE from mixed horticultural plastic, post consumer, available in gaylords, 70,000 lbs one time only, no amount restrictions, sample on request.
St. Louis, MO

Mixed Plastics **IM:A07/6108**
300-500 pounds of mixed plastic weekly, consists of plastic toys and similar products, available baled or in bulk, no amount restrictions.
Chicago, IL

**Mixed Polypropylene/
Polyethylene** **IM:A07/6122**
Polypropylene and polyethylene mixed (50:50), regrind (3/8"), post-consumer, horticultural plastics, in gaylords, 80,000 pounds available seasonally, sample on request.
St. Louis, MO

Neoprene **IM:A07/0193**
Cured neoprene, 20 mesh, 6-8% moisture, 200,000 pounds per month, bulk, no amount restrictions, sample and MSDS on request.
Brantford, Ontario

PVC **IM:A07/8061**
Black flexible PVC pellet, 85A durometer, 4,000 pounds available one time only, on amount restrictions, sample on request.
Cary, IL

PVC **IM:A07/0155**
PVC, rigid regrind assorted colors from construction waste and discontinued stock, colors may be separated, sized to specifications, 5,000 pounds in gaylord boxes per month, sample on request.
Old Monroe, MO

Pallets **IM:A07/9129**
New, black beverage plastic pallets, high density PE, 37 X 37, 15,000 now, 1,000 per week, no amount restrictions, sample on request.
Confidential Listing

Plastic Drums **IM:A07/4133**
Fifty-five gallon plastic drums from cleaning solutions, blue, white and some black in color, all have been rinsed, 200 available now, approximately 400 per quarter, sample available.
Marion, IL

Plastic Laminate **IM:A07/9061**
Wilsonart and Formica brands of plastic laminate from counter top manufacturing, miscellaneous colors, sizes and thickness grades, 4-5,000 square feet available one time only, loose sheets on skids, sample on request.
Mountain Pine, AR

Plastic Pails **IM:A07/2419**
Unused seven gallon white HDPE plastic pails and lids, manufactured to UN/1HZ/Y40/S/96 specification, 1,500 units available one time only.
LaSalle, IL

Plastic Scrap **IM:A07/8177**
Plastic rim scrap, diphenylmethane diisocyanate and polyalkene ether polyol, non-toxic, non-hazardous, painted and unpainted, granulated to approximately 1" x 1", 30 cubic yards per week, sample and MSDS on request.
Normal, IL

Plastic/Scrap **IM:A07/8133**
Plastic sheet scrap, 1/8" and 1/4", polyethylene, polypropylene, ABS, approximately 20,000 pounds available one time only, transportation not provided, sample on request.
Texarkana, TX

Plastics **IM:A07/9087**
Various types of virgin and regrind plastics in different quantities and colors from plastic injection molding process available total 9,000 pounds, one time only, list of types and quantities for each type along with sample is available on request.
Benton, AR

Plastics and Vinyl **IM:A07/8050**
Various sized rolls and types of plastics and vinyl from machine testing, average roll 200 pounds each, 20 rolls available one time only, sample on request.
Chicago, IL

Poly Drums **IM:A07/6106**
Fifty-five gallon closed top polyethylene drums, UN approved, one time only.
Rolla, MO

Polyester Scrap **IM:A07/8381**
Cured fiberglass reinforced thermoset polyester scrap, black in color, size approximately 1/2" to 1" length, typically 1/8" in diameter, 40,000-60,000 pounds per week, no amount restrictions, sample on request.
Addison, IL

Polyethylene Fluff **IM:A07/8338**
Wet polyethylene plastic fluff from polyethylene wash operation, 5% paper 2% wood 1% other, 20,000 BTU heat value, 20 cubic yards now, 60 cubic yards per week, sample and lab analysis on request.
Jacksonville, IL

Polymers **IM:A07/8158**
Mixed styrene acrylic polymers, 2-5% carbon black, <0.5% moisture content, 36,000 pounds now, 60,000 pounds per month, no amount restrictions, sample and MSDS on request.
Contoocook, NH

Polypropylene **IM:A07/8209**
Scrap pieces natural polypropylene from tank fabrication, 1/8" to 1 1/4" thick, 2,000 pounds available one time only, sample on request.
Chicago, IL

Polystyrene **IM:A07/2384**
Polystyrene packaging, dimensions are 23 3/8" long, 15 1/2" wide, 3 1/8" tall and weigh 0.94 pounds, currently 20 units available, 15 units per week is generated, sample available on request.
Bloomington, IL

Polystyrene **IM:A07/9181**
Obsolete, natural general purpose polystyrene regrind, Bapolene 6070, clean and FDA approved, 66 gaylords available one time only, sample and MSDS on request.
Bentonville, AR

Polystyrene **IM:A07/0248**
5 mil. polystyrene, roofing material from five acre greenhouse, 25 bales now, 30,000 pounds each year after recovering, no amount restrictions, sample on request.
Granville IL

Polystyrene Bead **IM:A07/0363**
Expanded polystyrene bead from manufacturer of liners, 5,000 pounds in gaylords now, 1,500 pounds per quarter, sample on request.
Rantoul, IL

Polystyrene Dust **IM:A07/8262**
Expanded polystyrene and polystyrene dust from manufacture of walk-ins, 200 pounds compacted polystyrene dust now, 100 pounds per quarter, sample and MSDS on request.
Quincy, IL

Polyurethane Foam Rubber **IM:A07/8021**
Shredded polyurethane foam rubber strips, six inches long, random widths, color combinations of black, white and gray, 27-36 cubic yards per month in bulk containers, sample on request.
Laugna Niguel, CA

Powder Fiberglass **IM:A07/8212**

Pressed fiberglass composite powder, glass, epoxy, polyester resin and water, non-toxic, 10 cubic yards now, 4 cubic yards per week, sample on request. Little Rock, AR

Ridged Polystyrene **IMA07/6121**

Polystyrene regrind (3/8"), post-consumer, horticultural plastics, clean, 25,000 to 50,000 pounds available seasonally, in gaylords, no amount restrictions, sample on request. St. Louis, MO

Resin **IM:A07/9180**

Obsolete, K-resin regrind, Phillips 66, KR03, clean and FDA approved, 14 gaylords available one time only, sample and MSDS on request. Bentonville, AR

Rubber **IM:A07/2443**

Used truck tires sheared into quarters, six tons available per month, sample on request.
Confidential Listing

Rubber **IM:A07/9190**

Natural rubber with 50-70% clay filler & polyester, charcoal black, polyester laminate @ .02" thick on .25" thick rubber and .75" rubber, small percent UV additive as anti-ozonant, no flame retardants, water adsorption, 3,000 pounds per day, sample on request. Hanover Park, IL

Rubber **IM:A07/8077**

Rubber mixing dust from dust collector, carbon black, silicas, calcium carbonate, and hard clays, black in color, >200° F flashpoint, 98% solids, 9.2 pH, 6,000 pounds in 4'4" x 3'6" x 4'4" boxes, 2,500 pounds per month, sample & lab analysis. on request. Galesburg, IL

Rubber **IM:A07/8086**

Black rubber molding scrap, various irregular sizes and shapes, 3,000 pounds per month, located in Sommerset, WI, no amount restrictions, sample on request. Eau Claire, WI

Rubber Chop **IM:A07/2410**

4,000 cubic yards rubber chop from wire stripping process, future quantities vary, no amount restrictions, material located in St. Louis, MO area, sample and lab analysis is available on request. Elburn, IL

Rubber Processing Chemicals **IM:A07/8162**

Obsolete rubber processing chemicals various accelerators, fillers, resins, most are 2-3 years old, 3,000 pounds one time only, new products in bags, no amount restrictions, sample and MSDS on request. Muscatine, IA

Rubber Products **IM:A07/9131**

Company downsizing now available, wide variety of rubber products & hoses, all unused in good condition, hose lengths vary 10' to full rolls, all mfg. for a variety of uses from general purpose, food industry to fire hoses, inventory list on request. Chicago, IL

Rubber Scrap **IM:A07/0107**

Rubber scrap from mixer clean out, off-spec and out of date rubber, black, uncured, various formulas, non-hazardous, 8,000 pounds per month, no amount restrictions, sample and lab analysis available on request. Vandalia, IL

Rubber Scrap **IM:A07/9062**

Out of spec scrap rubber, CR, SBR, HNBR, SIR, bulk, 1,000 pounds now, 10,000 pounds per month, sample and MSDS on request. Ottawa, IL

Rubber Window Channels **IM:A07/5140**

Available EPDM rubber with wire mesh and perforated steel carrier window channels in various lengths, in bulk, 150,000 per month continuous supplies, no amount restrictions, sample and MSDS on request. New Haven, MO

Sacks **IM:A07/0241**

Used semi bulk sacks, FIBC (flexible intermediate bulk containers), polypropylene woven fabric, UV stabilized, previously contained high calcium or dolomitic lime, 35 X 35 X 58 in size, with top and bottom spouts, 100 now available, quantities thereafter varies, no amount restrictions, sample on request. Chicago, IL

***Styrofoam** **IM:A07/7103**

Thirteen blocks of semirigid black Styrofoam, blocks are 19.5" X 20" X 24", some cored holes, blocks are laminated thinner pieces, 100 pounds available one time only. Cary, IL

Styrene Butadiene Rubber **IM:A07/8022**

Styrene butadiene rubber strips from off-road tires, up to three inches wide, random lengths up to 12 feet, 100 tons now in bulk containers, 40 tons per month, sample and independent analysis on request. Laguna Niguel, CA

Styrene Butadiene Rubber **IM:A07/8163**

80-85% styrene butadiene rubber/oil master batch, black slab stock, two years old, approximately 12,000 pounds one time only, sample, MSDS, and exact product names available on request. Muscatine, IA

Synthetic Butadiene Rubber **IM:A07/8291**

Synthetic butadiene rubber from molded rubber products manufacturing, retardant, carbon black, 60 cubic yards now, 20 cubic yards per month, sample and lab analysis on request. Moline, IL

Thermoset Plastic Scrap **IM:A07/2429**

25% polymerized polyester resin and 75% calcium carbonate scrap, very clean, mostly white in color, ground to 1/4 inch, 90,000 pounds available monthly, sample and MSDS on request. Somonauk, IL

Thermoset Plastic Scrap **IM:A07/8081**
Clean, segregated, uncontaminated thermoset plastic scrap from parts manufacturing, chemical formula varies, mostly light colors, dry, approximately 2,500 pounds per quarter, sample, lab and independent analysis on request.
Chicago, IL

Tire Scrap **IM:A07/8274**
Rubber tire scrap with steel belts and beads mixed, 50-100 cubic yards per month, sample on request.
Confidential Listing

Tires/Shredded **IM:A07/8070**
100% shredded rubber from automobile tires, cut into 6" to 12" pieces, 100 cubic yards now, 300 cubic yards per year, sample on request.
Peoria, IL

Vinyl Pellets **IM:A07/0240**
Excess virgin vinyl pellets, green in color, manufactured by Gary Corp., code # GMX-92-981B, Lot # 3-32966, on pallets 6,000 pounds available one time only, sample on request.
Chicago, IL

Waste Tires **IM:A07/2444**
Scrap tires, baled size 30" x 4 1/2' x 5', weight approximately 2,000 pounds, 100 bales now available, future quantities vary, sample on request.
Confidential Listing

Textiles & Leathers

Bonded Fabric **IM:A08/0324**
Black automobile headliner material scraps, 200 pounds now, 20 tons per year, no amount restrictions, sample and MSDS on request.
Bloomington, IL

Bonded Fabric **IM:A08/0325**
Black and beige material, two part cloth bonded to a rubber backing, fabric is #20 proof, miscellaneous pieces from convertible top die cutting operation, 200 pounds now, 20 tons per year, no amount restrictions, sample and MSDS on request.
Bloomington, IL

Burlap Bags **IM:A08/0119**
Good clean burlap bags, from shipping, backing or balling trees, some opened on top others are cut down side seam, unlimited quantities, no amount restrictions, sample on request.
New Hampton, IA

Burlap Bags **IM:A08/9132**
Split burlap bags, untreated, used to transport tobacco, 200 pounds now, 600 pounds per week, sample on request.
Owensboro, KY

Fabric Scrap **IM:A08/8159**
Fabric scraps, 50/50 cotton-poly, 100% cotton, trace amounts formaldehyde as in everyday clothing, 1,000 pounds per month, samples & MSDS on request.
New Sharon, IA

Gloves **IM:A08/3122**
Off-speck gloves, cotton grip gloves, leather fingerless, nitrile gloves, cotton coated plus many others, dozens available per week, sample on request.
Hickory, NC

Rags **IM:A08/3119**
Multi Color and white wiping rags, cut to your specs, great for cleaning, tons generated per week, in 50 pound boxes, sample available.
Hickory, NC

Terry Towel Rags **IM:A08/3120**
100% cotton terry towel rags in multi colors, can be cut to your size specifications, tons available per week in 50 pound boxes, sample on request.
Hickory, NC

Terry Towels **IM:A08/3121**
Pre-washed, grade "A" 100% cotton terry towels, various sizes and colors, tons available per week, sample on request.
Hickory, NC

Textile Remnants **IM:A08/0118**
Baled textile remnants, 70% polyester, 30% cotton, 15-20,000 pounds per month, sample on request.
Owensboro, KY

Textile Scraps **IM:A08/8087**
Polyester, polyester cotton, spun nylon and stretch nylon, from clothing manufacturer and knitting mills, scrap sized and shapes vary, 4,000 pounds per month, sample available on request.
Eau Claire, WI

Wool Scrap **IM:A08/5124**
Garment Grade 24 oz. Melton wool, 75% reprocessed wool, 20% nylon, 5% other fibers, mostly small irregularly shaped pieces, generate 2,800 pounds per year, packaged in 70 pound plastic bags, sample on request.
Kewanee, IL

Wood & Paper

Bags **IM:A09/0343**
Used bulk bags, used once for food grade material, no liner, top and bottom cinch opening, 150 to 200 per month, sample on request.
Monticello, IL

Bags **IM:A09/9225**
Used bulk bags in various sizes and styles available, used once, inspected and prepared for reuse, packed 50 to a bundle, most hold one metric ton, continue supply, no amount restrictions.
Tucker, GA

Bark **IM:A09/8111**
Ground wood bark, 200 cubic yards now available, 75 cubic yards generated per day, no amount restrictions, sample on request.
Confidential Listing

Corrugated Boxes **IM:A09/3114**
New unused corrugated boxes with printing, sizes and quantity will vary daily, sizes on skids are mixed, no amount restrictions, will need to contact for current quantities.
Chester, IL

Fiber Cores **IM:A09/2441**
Cardboard fiber cores from flexible packaging manufacturing, 3 and 6 inch diameter, all lengths, 20 pallets per quarter, sample on request.
Addison, IL

Fiber Cores **IM:A09/8280**
Cardboard fiber cores from plastic film manufacturing, 3 and 6 inch in depth, all lengths, 8-10 thousand pounds per week, no amount restrictions, sample on request.
Des Moines, IA

Fiber Cores **IM:A09/8183**
Fiber cores from shipments of steel coils, 25" to 36" wide, 3/4" thick, 16" ID, 200 available one time only, sample on request.
University Park, IL

Friction Paper **IM:A09/9075**
Cured friction paper from friction plate manufacturing, cellulose, reacted phenolic resin, silica, diatomaceous earth, pH 6.95, flashpoint >140°, 99% solids, <25 ppm reactive sulfide, 35 cubic yards per day, sample, lab analysis and MSDS on request.
Bellwood, IL

Hickory **IM:A09/8037**
Hickory squares, dried to 10% moisture content, sizes may vary, minimum measurements are: 1 7/16" x 1 7/8" x 4 5/8", 1 9/16" x 1 3/4" x 4 5/8" and 1 7/16" x 1 7/8" x 5 5/8", sizes separated, 376,660 pieces available one time only, sample on request.
Walnut Ridge, AR

Hickory Slabs **IM:A09/8038**
Hickory slabs bundled in 6' to 10' lengths, 140 tons now, 15 tons per week, sample on request.
Walnut Ridge, AR

Kraft Cellulose **IM:A09/9040**
60% cellulose, 25% styrene butadiene rubber, kraft cellulose from gasket manufacturing process, BTU value 7,000 to 10,000 BTU/pound, black or gray in color, 300 tons per month, sample and MSDS on request.
Necedah, WI

Kraft Bags **IM:A09/2426**
Kraft paper 50#, 950 foot rolls @ 21" wide, 96 rolls @ 22" wide, 47 rolls @ 26" wide and 64 rolls @ 29" wide, all in original wrapping, 8,517 pounds total weight on 8 pallets, available one time only.
Michigan City, IN

Kraft Paper Bags **IM:A09/6103**
Multi wall kraft paper bags, various sizes, printed, poly lining, 200,000 bags on pallets, sizes are 20 x 24 w/7" gusset, 20 x 23 w/6" gusset and 23 x 31 1/2 w/8" gusset, sample is available.
Keokuck, IA

Label Stock **IM:A09/0333**
Obsolete rolls of pressure sensitive label stock, various sizes, 30,000 pounds per quarter, sample on request.
McHenry, IL

Label Scrap **IM:A09/8386**
Pressure sensitive adhesive, scrap label stock, 20 cubic yards per week, can be processed and used as fuel, no amount restrictions, sample on request.
Vernon Hills, IL

Liner Board **IM:A09/8339**
Printed liner board from packaging cartons, liner board paper printed on one side, hot melt glue, twenty cubic yards now, 40 cubic yards per month, sample on request.
Jacksonville, IL

Lumber **IM:A09/9010**
Hardwood lumber from skids and pallets, one truck load per week available continuously, no amount restrictions, sample on request.
Northbrook, IL

Lumber Scrap **IM:A09/6115**
Scrap lumber and plywood, lumber is mainly 2" x 4" studs from 6" to 6' in length, plywood is mainly strips 8" - 12" wide from 2' - 8' in length, does contain staples and nails, currently 12 c.y. on hand, approximately 10 c.y. per day, no amount restrictions, sample on request.
Aurora, IL

Lumber Scrap **IM:A09/8187**
Scrap pieces of pine, cedar, and plywood, no treated lumber, in truck load quantities weekly, no amount restrictions, sample on request.
Newton, IL

Mulch **IM:A09/8380**
Hardwood bark mulch, oak, natural color, custom ground and screened, 20 tons per day, no amount restrictions, sample on request.
Chippewa Falls, WI

Mulch and Sawdust **IM:A09/0277**
Mulch and sawdust ground from hardwood pallets, no nails or staples, good for landscaping, animal bedding or used as an absorbent, continuous supplies in various quantities, sample on request, Chicago respondents only for transportation feasibility.
Confidential Listing

News Print **IM:A09/9136**
Non-toxic, white news print, paper, two cubic yards now, generate 2 cubic yards per month, sample on request.
Heber Springs, AR

OSB Board **IM:A09/2375**
2' X 4' and 3' X 4' OSB 7/16" thick cut offs, 500 each available in variably, no amount restrictions.
Barrington, IL

Pallets **IM:A09/2434**
Approximately 100 pallets available for free from New Jersey locations, no restriction on amount.
Wall, NJ

Pallets **IM:A09/3111**
Brazilian soft wood pallets, assorted sizes in truck load quantities daily, can be reused or ground for fuel, mulch or particle board, no amount restrictions.
Madison, IL

Paper **IM:A09/0113**
Paper from paper manufacturing process, white paper containing wet strengthening agent, 60 tons in rolls, 20 tons per quarter, sample on request.
Confidential Listing

Paper Bags **IM:A09/3113**
New surplus paper bags, will vary in size, quantity and design, some may be preprinted, currently 300,000 bags now available, no amount restrictions.
Chester, IL

Paper Bags **IM:A09/0145**
Paper bags from feed manufacturing, baled, truckload quantity now available, 30 bales per month, sample on request.
Alton, IL

Paper Broke **IM:A09/0274**
High quality broke filter paper material, saturated with latex, various types and sizes available, 213 tons per month, sample and lab analysis on request, for transportation feasibility Midwest respondents only.
Confidential Listing

Paper Cores **IM:A09/2440**
Heavy wall paper cores, 3" I.D. 3/8 to 1/2 OD, length varies 30 to 60 inches, 5,000 cores on twenty pallets each with approximately 250 cores each, sample on request.
West Memphis, AR

Paper Rolls **IM:A09/8049**
Various paper from machine testing, ranging from 2' to 7' wide, average weight 200 pounds each, mostly brown some white, 40 rolls now available one time only, sample on request.
Chicago, IL

Paper Sludge **IM:A09/9079**
Paper sludge, 40% paper fiber, 20% ash, pH 6 - 7, 16 tons per day, lab analysis on request.
Gary, IN

Photographic Paper **IM:A09/9044**
Virgin photographic paper, strips left from slitting operation, contains silver, approximately 150 pounds per day, no amount restrictions, sample on request.
Confidential Listing

Pine Crates **IM:A09/2454**
Pine crates approximately 6' x 4' x 3', most in very good condition, quantities varies based on shipments received. 40 now available, approximately 7 per month.
Coal Valley, IL

Plywood **IM:A09/5129**
4' x 8' one-eighth inch plywood sheets includes small sizes used as dunnage in air freight imports, five pallets now available, 1-2 pallets per week, no amount restrictions, sample on request.
Bensenville, IL

Pulp Sludge **IM:A09/0273**
Hardwood and softwood waste pulp slurry, saturated with latex, slurry approximately 60% solid, could be used as filler pulp, can provide non-saturated pulp, 220 tons per month, no amount restrictions for transfer, sample and lab analysis available, for transportation feasibility Midwest respondents only.
Confidential Listing

Railroad Ties **IM:A09/0282**
100-200 used railroad ties available one time only, could be used as retaining wall or for landscaping, no amount restrictions.
Pawnee, IL

Railroad Ties **IM:A09/9134**
One million railroad ties ranging from very good to rough condition, use for landscaping, fence posts, fuel, etc., available one time only, no amount restrictions sample on request.
South Pekin, IL

Sawdust **IM:A09/0197**
Sawdust mixed with half chips from cutting plywood and grinding wood scraps, 40,000 pounds every two weeks, no amount restrictions, sample on request.
Galesburg, IL:

Sawdust **IM:A09/9236**
Kiln dried white birch sawdust from sawmill operation, fine to medium grade, 6-8% moisture, five tons per day, no amount restrictions, sample on request.
Hayward, WI

Sawdust **IM:A09/9238**
White birch sawdust, 30% moisture, fine to medium grade, twenty tons per day, no amount restrictions, sample on request.
Hayward, WI

Sawdust **IM:A09/9239**
Kiln dried white birch sawdust from wood product manufacturing, fine to medium grade, fifteen tons per day, no amount restrictions, sample on request.
Chicago, IL

Sawdust **IM:A09/9216**
80% fines from machining and sanding particle board, fiberboard and hardwoods from wood furniture manufacturing, 90 tons per week, sample on request.
Ft. Smith, AR

Sawdust **IM:A09/8112**
Twenty tons of green sawdust available per day, now have 20 tons, no amount restrictions, sample on request.
Confidential Listing

Sawdust **IM:A09/9057**
Green sawdust and fresh hardwood mulch, 24,000 tons per year, bulk, no amount restrictions, sample on request.
Argos, IN

Sawdust **IM:A09/8292**

Ponderosa pine sawdust from shelving manufacturing, 11,000 pounds now in 40 yard container, 25,000 pounds per week, no amount restrictions, sample on request. Jacksonville, IL

***Scrap Lumber** **IM:A09/7101**

Sizes; 2" x 4", 2" x 6", 2" x 8", 2" x 10", 2" x 12", plywood, O.S.B., pine, treated, pallets, scrap MDF, trim various lengths, with nails, one ton per month generated, will deliver free dump truck loads to Northern Illinois and Chicago Suburbs. Dekalb, IL

Skids **IM:A09/5127**

Used skids size 46" X 28" in very good condition, hundreds per month available, no amount restrictions, sample is available. New Lisbon, WI

Slip Sheets **IM:A09/0354**

42 x 51 flat sheets of cardboard, used one time, very clean, stacked on skids and plastic wrapped, 20 tons per month, sample available on request. Decatur, IL

Waste Paper **IM:A09/0328**

Waste paper generated in process of removing coatings, paper is damp >20% water, 40,000 pounds per day, baled, sample on request. Olympia Field, IL

Wood **IM:A09/8377**

Wood pallets, and pine crates approximately 8' x 8' x 12', quantities varies based on shipment received, no amount restrictions. South Beloit, IL

Wood Blocks **IM:A09/8383**

Thousands of creosote soaked wood blocks remain from demolition of factory, used as cushion to concrete floor, sized approximately 4" X 8" X 2", material located in Kewanee, IL, sample and lab analysis on request. Springfield, IL

Wood Chips **IM:A09/6119**

3" X 3" wood chips from recycled pallet material, endless supply, 2,000 pounds now, no amount restrictions for IL, IN, WI, and MI, sample is available. Markham, IL

Wood Chips **IM:A09/9237**

Coarse wood chips, white birch lumber, 30% moisture, fifteen tons per day, no amount restrictions, sample on request. Hayward, WI

Wood Cutoffs **IM:A09/9035**

Plywood (douglas fir), 3/4" x 2 1/2" X 22" and 3/4" x 2 1/2" x 29 1/2", in gaylords 10,000 pieces per week, no amount restrictions, sample on request. Green Bay, WI

Wood Dust **IM:A09/8359**

Wood dust from shavings manufacturing, 4,500 pounds per day, no amount restrictions, sample on request. Waldron, AR

Wood Pallet Bins **IM:A09/0326**

Collapsible and stackable wood pallet bins with steel corner hinges, great for shipping containers and product storage inside or out, all are 7 3/4 " in height, sizes available: 40" X 44" on hand 1,852, 40" X 48" - 2,020, 45" X 48" - 200, 48" X 48" - 200, must move below cost. Bellevue, WA

Wood Pallet Boxes **IM:A09/8268**

Wood pallet boxes re-enforced with wire or strapping, from receiving raw material, various sizes; approximately 36" x 36" x 32", all in usable condition, 30 boxes per month, sample on request. Wauconda, IL

Wood Pallets **IM:A09/0210**

All sizes of wood pallets from receiving aluminum scrap, have truckload quantities now, receive 80 per week, no amount restrictions, sample on request. Davenport, IA

Wood Pallets **IM:A09/8103**

Wood pallets and crates from receiving raw materials, sizes vary from 2' x 2' x 5" to 52" x 43" x 5", 100,000 available per week, no amount restrictions. Mt. Vernon, IL

Wood Pallets **IM:A09/9100**

Heavy duty oversized pallets used to carry steel coils, 200 per month, no amount restrictions. Chicago, IL

Wood Pallets **IM:A09/8156**

Wood pallets in various size dimensions, can be reused, 50 plus per day, sample on request. Normal, IL

Wood Pallets **IM:A09/0262**

Used wood pallets from receiving shipments, condition varies, mixed sizes, approximately one trailer load per week, no amount restrictions, continuous supplies. Aurora, IL

Wood Products **IM:A09/5137**

Kiln dried softwood and/or hardwood shavings and sawdust, good for boiler fuel, animal bedding, commercial uses, 50 tons per day, no amount restrictions, sample on request, transportation is available. Goshen, IN

Wood Pulp **IM:A09/9120**

Bales of pulp "fluff", fluff is pulp board that has been ground-up then baled, contains small amounts polyethylene, 2 trailer loads now, generate from 1 to 10 trailers per month, sample and MSDS on request. Wilmington, IL

Wood Pulp Mix **IM:A09/9121**

Mixed wood pulp, polyethylene and other papers, off spec material and scraps from sanitary napkin production, baled, 80 tons now, 215 tons per month, no amount restrictions, sample and lab analysis on request. Wilmington, IL

Wood Reels **IM:A09/2385**
Wooden reels, similar to those used by the wiring industry, dimensions: 27.5" outer diameter, 22" inner diameter and 18 3/4" wide, 7 reels per week, sample is available on request.
Bloomington, IL

Wood Reels **IM:A09/8161**
Wooden reels from garden hose, 60 now available, 128 more available in two months, no amount restrictions, sample on request.
Bucyrus, OH

Wood Scrap **IM:A09/5126**
Available in various dimensions, hardwood, pine, osb and plywood scraps, a few nails from manufacturing process, continuous supply approximately 400 c.y. per week, no restrictions.
Coal Valley, IL

Wood Scrap **IM:A09/9206**
Scrap wood, untreated railroad ties, sizes range 7 x 9 x 24 to 7 x 8 x 4, all hardwood species, mainly oak and hickory, available in bulk form on a continuous basis, sample on request.
Galesburg, IL

Wood Scrap **IM:A09/8337**
Scrap wood, pallets and packaging crates, 40 cubic yards per month, sample on request.
Jacksonville, IL

Wood Scrap **IM:A09/8313**
Kiln dried wood scrap from the manufacturing of wood trusses, in truckload quantities, sample on request.
Virde, IL

Wood Scrap **IM:A09/9156**
Kiln dried softwood scrap from wood truss manufacturer, 8 to 15 tons per day, no amount restrictions, sample on request.
St. Rose, IL

Wood Staves **IM:A09/0344**
Creosote treated wood staves, approximate dimensions 3 1/2" X 6" with varying lengths up to 20 feet, 3,000 cubic yards available one time only, independent analysis and MSDS on request.
Green Bay, WI

Wood Veneer **IM:A09/2371**
Wood veneer from furniture manufacturing, ranging in length from 15" to 38" on pallets separated by length and type, walnut, white oak and cherry, in truckload quantities, samples on request.
Malvern, AR

Wood Waste **IM:A09/8346**
Wood waste from grinding one way pallets, 1,000 tons now, 50 tons per day, no amount restrictions, sample on request.
Decatur, IL

Wooden Pallets **IM:A09/6116**
Small wooden pallets, size 44" X 26", 125 in stock now, 20 to 30 per week thereafter, no amount restrictions.
New Haven, MO

Metals & Metals Sludges

Aluminum **IM:A10/2437**
Obsolete inventory, 3003 aluminum sheets in various sizes, ranging from 5 feet wide to 28 feet long, .040 to .025 thickness, 1,500 pounds baled aluminum now available, MSDS on request.
Confidential Listing

Aluminum **IM:A10/9024**
Aluminum metal and oxide mixture from aluminum slag recclamation, granular free flowing powder, 20 mesh x 200 mesh, 17-25% aluminum by hydrogen test, low chlorides, 10,000 pounds per week, sample and MSDS on request.
Nashville, TN

Aluminum Facings **IM:A10/8382**
Aluminum facings, 31 sheets @ 10" X 48" X 0.125, 25 sheets @ 48" X 58" X 0.125, 8 sheets @ 18 1/2" X 74" X 0.080 & 31 sheets @ 74" X 60" X 0.080, all 7075 T6 bare alloy, plus 2,200 sheets 19" X 9.5" X 0.020 made of 2024 T3 alloy, available one time only.
Pine Bluff, AR

Aluminum Hydroxide Sludge **IM:A10/0158**
Aluminum hydroxide sludge, wastewater pretreatment sludge from sulfuric acid anodizing of aluminum, 75% H₂O, neutral pH, non-hazardous, color varies, 18 cubic yards in rolloff dumpster, 9.5 tons per day continuous supply, no amount restrictions, sample, MSDS, lab and independent analysis and on request.
Stream Wood, IL

Aluminum Oxide **IM:A10/4121**
85% Al₂O₃, chloride content less than 1%, 10 mesh and down, shipped in bulk or super sacks, less than 2% moisture content, 3,000 tons per month, sample, lab analysis and MSDS on request.
Southern Pines, NC

Aluminum Sulfate Solid **IM:A10/0303**
Obsolete, aluminum sulfate solid, 4,050 pounds in fifty pound bags, available one time only, sample and MSDS on request.
Hampton, IL

Anodizing Sludge **IM:A10/0362**
Ten tons, anodizing sludge in filter cake form from wastewater pretreatment operation, transfer geographic range is Wisconsin and neighboring states, sample, independent analysis and MSDS on request.
Fon du Lac, WI

Cadmium Plating Bath **IM:A10/3107**
Cadmium plating bath with 140 pounds of cadmium anodes, solution is contaminated with copper, one hundred thirty gallons available one time only, lab analysis on request.
Chicago, IL

Carbon Dust **IM:A10/0359**
95% carbon dust, 5% steel shot fines, from shot pining operation, dark gray in color, 30 cubic yards per month, sample and lab analysis on request.
Savanna, IL

Carbon Scale **IM:A10/8089**
Small carbon steel flakes, approx. .008" thick by 1/8"-1" diameter, from head treatment process, some oil film, non-hazardous, 20,000 pounds now, 40,000 pounds per year, no amount restrictions, sample and lab analysis on request.
East Alton, IL

Copper Plating Bath **IM:A10/4142**
Unusable, one time only, 200 gallons copper flash cyanide based plating bath, low copper content, as of May 2004 plating no longer in operation, offer includes all related chemicals in inventory, free you pay shipping only, sample and MSDS on request
Kenosha, WI

Electroplating Filter Cake **IM:A10/8153**
Zinc and cadmium electroplating filter cake, 15 cubic yards per quarter, request F006 sample or MSDS when contacted.
Elk Grove Village, IL

Filter Cake **IM:A10/9056**
Iron laden filter cake from the manufacture of iron sulfate, 79% hematite, 60-70% solids, pH 5-10, brown in color, <20 micron, 80 tons per month, lab analysis on request.
St. Louis, MO

Grinding Sludge **IM:A10/8378**
Metal grinding sludge, resin bond, vitrified band wheels, 50% high speed steel M-1, 50% grinding wheel, no finer than 5 micron, 99% oil free, 500 pounds per month, sample on request.
South Beloit, IL

Grinding Swarf **IM:A10/0296**
Swarf from grinding iron, chrome work roll, 6,500 pounds now, 10,000 pounds per week, sample and lab analysis on request.
Crawfordsville, IN

Grinding Swarf **IM:A10/0136**
Low carbon steel grinding swarf from ball grinding, 57% steel, 40% H₂O, 3% coolant, gray in color, 70 tons per month, sample and independent analysis on request.
Sterling, IL

Iron **IM:A10/8058**
80-99% Fe swarf from grinding, 3% Tu, 2.5% Ni, 1.7% Cr, 1.25% Mg, 180° F open cup flashpoint, no PCB's, cyanides or odor, pH 4-7, 30-40 cubic yards per quarter, sample and independent analysis on request.
Confidential Listing

Iron Dust **IM:A10/8105**
Basic oxygen furnace ESP dust, Fe, Fe₂O₃, ZnO, CaO, 45 cubic yards now available, 35-45 cubic yards generated per day, packaged in 3 cubic yards precipitator dust bags (6-8,000 lbs/bag), no amount restrictions, sample and lab analysis on request.
Granite City, IL

Iron Oxide **IM:A10/2435**
Iron oxide generated from acid regeneration process, orange-red dust, high iron content, solid waste, passes TCLP, 10 tons per day, sample and independent analysis on request.
Confidential Listing

Lead **IM:A10/8126**
15-35% PbO/PbCl as dust, 5-10% Ca, 0.1-4% Sn, 0.1-1.0% Sb, 1-3% As, 98.8% total solids dry weight, 3,000 gallons per quarter, drums, sample, lab and independent analysis on request.
Granite City, IL

Magnetite **IM:A10/4144**
Magnetite, new in fifty pound bags, 8,700 pounds total weight, MSDS and/or sample available on request.
Bonne Terre, MO

Magnetite **IM:A10/8254**
Magnetite, Fe₃O₄, minus 16 mesh, specific gravity 3.6, black in color, 89% magnetic on Davis tube, x-ray diffracton shows magnetite, 10,000 tons per year, sample on request.
Mansfield, OH

Mercury **IM:A10/0169**
Surplus unused, clean, triple distilled, instrument grade mercury, 100 ten pound bottles available one time only, MSDS on request.
Confidential Listing

Metal Sludge **IM:A10/0247**
Metal finishing by-product, zinc, iron and copper in water, rust colored, 20 cubic yards in hopper generated weekly, sample and independent analysis on request.
Addison, IL

Spring Wire **IM:A10/2439**
9 gauge steel spring wire, high carbon content, cut to approximately four foot lengths, 10,000 pounds per quarter, packaged in bundles, sample on request.
Tulare, CA

Steel Drums **IM:A10/0281**
Available fifty-five gallon drums, steam cleaned, twenty-five now available, fifty per year, no amount restrictions for transfer.
Confidential Listing

Steel Dust **IM:A10/8090**
Ferrous cast steel dust from shot blasting process, 5160 alloy steel bars, 20,000 pounds now, 10,000 pounds per year, no amount restrictions, sample on request.
East Alton, IL

Steel Shot **IM:A10/8137**
Steel shot mixed with carbon dust, also steel shot mixed with aluminum chips and carbon dust, 1,500 pounds per week, sample and lab analysis on request.
Hawesville, KY

Steel Strapping **IM:A10/2438**
3/8" steel strapping cut into 3 to 5 inch lengths, 14,000 pounds per quarter, sample on request.
West Memphis, AR

Tin Plating Bath **IM:A10/3106**
Acid tin plating bath with 85 pounds tin anodes, three drums available one time only, lab analysis on request.
Chicago, IL

Wastewater Treatment Sludge **IM:A10/2432**
Wastewater treatment sludge from pre-treatment of zinc phosphate coating, 30-40% solids, 9-10 pH, 16,000 pounds available per quarter, sample and lab analysis on request.
Savanna, IL

Zinc Hydroxide **IM:A10/8227**
37% ZnOH, 58% Cd, other material is inorganic solids, dry sludge, bulk, 100 square feet per day, sample and lab analysis on request.
Confidential Listing

Zinc Sludge **IM:A10/2433**
Zinc phosphate sludge from coating line, 40-50% solids, 3-7 pH, 4,000 pounds per quarter, sample and lab analysis on request.
Savanna, IL

Miscellaneous

Abrasive Fines **IM:A11/0147**
Abrasive dust/fines from dust collecting equipment up to 95% SiC and/or Al₂O₃, 20% cured binders, various colors, solid, particle size varies, 20,000 pounds per week, sample and lab analysis on request.
Salem, IL

Abrasive Pads **IM:A11/5141**
3M abrasive pads - scotchbrite, 5 inch gray pads with 1/4 inch hole in center, XKS - DC (clean and finish), estimated 16,000 in boxes of 100, minimum of one box, sample on request.
New Haven, MO

Activated Alumina **IM:A11/0306**
Virgin material, 500 pounds of activated alumina in fifty pound bags available one time only, sample and MSDS on request.
Joplin, MO

Additive **IM:A11/0125**
Fructose/Dextrose, surplus, past saleable date, not a waste material, 4000,000 gallons available one time only, no amount restrictions, sample, lab analysis and MSDS on request.
Confidential Listing

Adhesive **IM:A11/2380**
Obsolete adhesive, Hysol polyshot for hot melt glue process, solid amber glue, non-flammable, M8145-0009-01, available one time only, one case (100 glue sticks), sample and MSDS on request.
Auburn, IL

Adhesive **IM:A11/9157**
Obsolete material, food packaging adhesive, pH 3.8, white in color, slight odor, >212° F boiling point, <40° F freezing point, 20,000 pounds available one time only, sample and MSDS on request.
Clayton, MO

Alumina Oxide **IM:A11/8258**
Sandblast waste media, 88% alumina oxide, 10% sand, 2% miscellaneous dirt and debris, pH 7.1, two cubic yards now, one cubic yard per quarter, sample on request.
Geneseo, IL

Aluminum Sheets **IM:A11/0280**
Aluminum sheets, various sizes from five feet wide to 28 feet long, thickness varies from .040 to .250, ten tons now available now, 25 tons per year, MSDS on request.
Confidential Listing

Aluminum Trihydrate **IM:A11/8311**
Aluminum trihydrate from anodizing aluminum, 10 cubic yards now, 20 cubic yards each quarter, no amount restrictions, sample, lab analysis and MSDS on request.
Three Rivers, MI

Anionic Emulsifier **IM:A11/8334**
Anionic emulsifier, surfactant, off spec product used in treatment of leather, salt of ethoxylated phosphate ester, pH 1.0 = 0.5, flashpoint >200° F, amber paste, 70% water, 7,200 pounds available one time only, sample and MSDS on request.
Oak Creek, WI

Asphalt **IM:A11/0108**
Scrap from product line, asphalt, wood fiber, black material in sheets approximately four feet in width by 25 (+) feet in length, 800 tons per month on pallets, no amount restrictions, sample and MSDS on request.
Confidential Listing

Asphalt Shingle **IM:A11/8160**
Asphalt shingle tabs from roofing manufacturing, dimensions 10 3/8" X 1/4", various colors, 30,000 pounds per day, sample, and MSDS on request.
Bedford Park, IL

Barium Sulfate **IM:A11/2372**
Obsolete, barium sulfate, pH 5% in water is neutral to litmus, no toxicity, no reactivity, no flashpoint, fine white powder, 950 pounds in 50 pound bags available one time only, sample on request, no amount restrictions.
Milwaukee, WI

Batteries **IM:A11/0196**
12 volt gel filled lead acid batteries, purchased 3/11/97, never charged 12 volt 127AH, 8 hour rate to 1.75 VPC, long duration series, 60 batteries available one time only.
Quincy, IL

Black Magnum **IM:A11/9039**
Black magnum from sand blasting operations, 100% coal slag, stable amorphous glass like compound, non-toxic, non-reactive, black sand, 10,000 pounds per quarter, sample, lab analysis and MSDS on request.
Confidential Listing

Black Primer Paint **IM:A11/5135**
Four (4) 55 - gallon drums of PPG black primer paint, less than 7 months old, available one time only, MSDS on request.
Joliet, IL

Bottom Ash **IM:A11/2452**
Bottom ash from coal fired boilers, gray in color, 500 tons per month, sample, lab analysis, MSDS and TCLP on request.
Chicago, IL

Brass **IM:A11/0235**
Obsolete material from products no longer in production, 1,000 brass tension rods, 800 brass plated conduit clamps, 500 brass plated wing bolts, and 400 brass hinges, all available one time only, sample on request.
New Lisbon, WI

Brass Inserts **IM:A11/0329**
Obsolete brass inserts available one time only, have 21,750 size 8 - 32 X .185, 5,800 size 1/4 - 20 X 300, and 15,500 size 10 - 24 X .150, can be molded or welded in plastic products.
Clinton, AR

Brick **IM:A11/8255**
Broken building bricks (batts), shale, can be used as inert filler or chips for landscaping, 750,000 tons now, 150 tons per month, no amount restrictions, sample on request.
Mansfield, OH

Bumpers **IM:A11/0368**
Unused, bumpers removed from truck chassis, mostly full width, all makes, 50 per month, sample on request.
Streator, IL

Carbon Black **IM:A11/8104**
Carbon black from mixer dust collectors and spills, 100% carbon, non-toxic, non-hazardous, 10,000 pounds now available, 1,000 pounds generated per day, no amount restrictions, sample on request.
Mt. Vernon, IL

Carbon Dust **IM:A11/8139**
Carbon dust from aluminum smelter, very fine bag house dust, 7 tons per week, sample and lab analysis on request.
Confidential Listing

Carbon Scrap **IM:A11/8138**
Petroleum coke and pitch containing sweepings and fines, 5 tons per week, sample and lab analysis on request.
Hawesville, KY

Ceramic Saddles **IM:A11/9038**
Unused, 1" ceramic porcelain tower packing (ceramic saddles), purchased in 1994, white in color, non-toxic, reacts with active florides, 30,000 pounds in super sacks available one time only.
Confidential Listing

Coating **IM:A11/2378**
Flat black bake paint, liquid, sixty gallon buckets available one time only, sample and MSDS on request.
Auburn, IL

Compressed Gasses **IM:A11/8167**
Surplus and outdated miscellaneous organic and inorganic compressed gases, material and quantities will vary, located in Detroit, MI, lab analysis on request.
Confidential Listing

Cupola Popcorn Slag **IM:A11/8106**
Water quenched cupola popcorn slag, 42% SiO₂, 24% CaO, 14% MgO, 12% Al₂O₃, non hazardous, below TCLP limits, 30,000 cubic yards now available, 900 cubic yards generated per month, minimum transfer of semi loads only, independent analysis on request.
Reedsburg, WI

Diatomaceous Earth **IM:A11/6104**
Non-hazardous diatomaceous earth, 25% ester saturated, 10,000 pounds in bulk, continuous quantities, can be placed in smaller containers, sample, lab analysis and MSDS on request.
Confidential Listing

Drums **IM:A11/2388**
Empty fifty-five gallon drums with lids, 500 per year, no amount restrictions, sample available upon request.
Rock Island, IL

Duplicator Fluid **IM:A11/2415**
New unused, solvent duplicating fluid, 70 gallons in metal one gallon containers available one time only, no amount restrictions.
Oak Lawn, IL

Electric Transformers **IM:A11/0104**
Excess electric transformers, two-1 pole, and one residential, non PCB, available one time only.
Confidential Listing

Epoxy Powder Coating **IM:A11/9078**
Obsolete, epoxy powder coating, Bristol gray, manufactured by Sherwin Williams, approximately 4 years old, 1,340 pounds in 50 pound plastic lined boxes, available one time only, sample and MSDS on request.
Marietta, OH

Ferroboron Mixture **IM:A11/8039**
Mixture, 2/3 ferroboron and 1/3 ferrotitanium, less than 12 mesh fines, 70-100 pounds available one time only, drums, sample on request.
Decatur, IL

Ferrous Iron Sulfate **IM:A11/0305**
Virgin material 1,900 pounds ferrous iron sulfate in fifty pound bags, available one time only, sample and MSDS on request.
Joplin, MO

Fiber Cement **IM:A11/4123**
Unlimited quantities, fiber cement found in cement boards used under tile floors or in showers, in the infant stages of possible grinding and recycling in 8 plants across the USA, sample and MSDS available.
Wilmintgon, IL

Fiber Drums **IM:A11/9050**
In good condition empty fiber drums with lids, tan in color, contains trace amounts of boric acid residue, two sizes available, 25 gallon and 40 gallon, thirty of each weekly, no amount restrictions, MSDS of residue available.
Sauget, IL

Fiberboard **IM:A11/0246**
Medium density fiberboard pre-laminated with melamine, cellulose papers impregnated with amino-plastic resins, urea formaldehyde glue, bulk quantities generated from wood-working, saw, beveling equipment, sample and MSDS available.
Rockford, IL

Fiberglass Mat **IM:A11/3125**
Fiberglass mat approximately 3' X 4' sheets, thirty tons per week, sample and MSDS on request.
Summit, IL

Floor Finish **IM:A11/9091**
Obsolete high solid floor finish, product code F1950, manufactured by Purex Industrial, twenty-seven 55 gallon drums available one time only.
St. Louis, MO

Flue Dust **IM:A11/8341**
25-30% Fe, 15-25% Zn, fine flue dust from electric arc furnace steel production, pH 10-12, miscellaneous metals <2% each, 100 tons per day, bulk, sample and lab analysis on request.
Crawfordsville, IL

Fly Ash **IM:A11/2451**
Class C fly ash from coal burning, 20% CaO, self-cementing, ideal for solidification purposes, 350 tons per week, sample and lab analysis on request.
Chicago, IL

Fly Ash **IM:A11/9118**
Pure fly ash from coal burning, 176 cubic meters now, 117 cubic meters monthly, no amount restrictions, sample and lab analysis on request.
Belcourt, ND

Foundry Sand **IM:A11/6102**
Foundry sand available on continuous basis in truckload quantities, sample is available on request.
Skokie, IL

Grinding Wheels **IM:A11/0146**
Off-spec epoxy bonded grinding wheels, up to 95% SiC and or Al₂O₃, 20% cured binders (abrasive and epoxy binders), various colors, solid, particle size varies, 300 pounds per month, sample and MSDS on request.
Salem, IL

Grinding Wheels **IM:A11/0148**
Off-spec grinding wheels, up to 95% SiC and/or Al₂O₃, 20% cured binders, gray/brown in color, 5,000 pounds per week, sample, lab analysis and MSDS on request.
Salem, IL

Heat Transfer Fluid **IM:A11/2423**
Syltherm-XLT is a heat transfer fluid used in closed system heat exchangers, manufactured by Dow, purchased in 1995, clear liquid with little odor, combustible, flashpoint 108° F, 13,000 pounds available one time only, sample and lab analysis on request.
Theodore, AL

Ink **IM:A11/0364**
New unused paste ink, 109o F flashpoint, purchased in 1993, rose color, 250 gallons in 5 liter cans available one time only, sample and MSDS on request.
Plano, IL

Ink **IM:A11/9088**
Obsolete water base ink (changed ink types) used in rolling ball pens, new unopened five gallon jugs, 60 gallons total available one time only, sample and MSDS on request.
Ft. Madison, IA

Ion Exchange Resin **IM:A11/0144**
Used high quality cation, anion and mixed bed ion exchange resin for water and wastewater treatment, sample available on request.
Rockford, IL

Iron Dust **IM:A11/9072**
20-30% Fe, 10-30% Zn, 2-0% Pb, 2-4% lime, electric arc furnace dust, 40 tons per month, no amount restrictions, sample and lab analysis on request.
Granite City, IL

Lapping Compound **IM:A11/8282**
Outdated raw product, lapping compound, lubricant, fifteen gallons available, MSDS on request.
Cochise, AZ

Latex Paint **IM:A11/0103**
Water based latex paint in dark and light gray, dark brown and brick red, 50% H₂O, 15,000 gallons now, 1,500 gallons per month, will consider shipping Midwest preferred, sample and MSDS on request.
Confidential Listing

Matrix II Saw Blades **IM:A11/0327**
Matrix II saw blades, 1" X .035 3/4 T.P.I., 1 1/4" X .042 3/4 T.P.I., 1 1/4" X .042 4/6 T.P.I., 1 1/2" X .050 1.4/2.0 T.P.I., 1 1/2" X .050 2/3 T.P.I., 1 1/2" X .050 3/4 T.P.I., 1 1/2" X .050 4/6 T.P.I., available one time only.
Bellingham, WA

Metal Cans **IM:A11/0244**
Very clean use steel cans, 14" by 14", gasket lid and sealing lock ring, still have labels on outside, 300 now available, 15-30 per week, no amount restrictions, sample on request.
Chicago, IL

Metallized Polyester **IM:A11/9198**
Metallized polyester, "foil leaf", from greeting card foiling, multiple colors, non-hazardous, 25 tons per week, baled, no amount restrictions, sample and MSDS on request.
Oscelola, AR

Organic Material **IM:A11/8151**
Yard waste compost, neutral pH, non toxic, 30,000 tons per year, located in upstate Illinois, sample and lab analysis on request.
Confidential Listing

Paint **IM:A11/0335**
Latex, oil base interior and exterior paints and stains high end interior & exterior paints from miss tint, auto acrylic enamels and lacquers also available in excess of 2,000 gallons available, sample and MSDS on request.
Elkhart, IN

Paint **IM:A11/9037**
Unused water based industrial enamel paint in unopened five gallon pails, total volume of 600 gallons in white, gray and orange, available one time only, sample and MSDS on request.
Waukesha, WI

Pigment **IM:A11/8350**
Obsolete raw material, 11-2519 Hansa brilliant yellow 2GX-70 pigment, dust form, 200 pounds available one time only, sample and MSDS on request.
Cuba, MO

Porcelain Enamel **IM:A11/9213**
Porcelain enamel sludge from metal finishing process, clay, gray powder, pH 9, non-reactive, 95% solids, twenty cubic yards per month, lab analysis on request.
Confidential Listing

Powder Paint **IM:A11/0152**
Reclaimed powder paint, dust, polyester urethane powder in various colors, 20,000 pounds per month, no amount restrictions, sample and MSDS on request.
New Hampton, IA

Powder Paint Coating **IM:A11/3117**
Mixed virgin powder coatings accumulated from spray to waste process, mixed colors blended together, 100 drums, sample, lab analysis and MSDS on request.
Quincy, IL

Refractory Brick **IM:A11/0243**
Excess miscellaneous unused refractory brick shapes, (arches, keys, wedges, straights and tiles) 70-80% alumina, some silicon carbide, 200,000 pounds available one time only, sample on request.
Chicago, IL

Reverse Osmosis Membranes **IM:A11/0142**
Used high performance 8 inch reverse osmosis membranes available one time only, sample and lab analysis on request.
Rockford, IL

Salvage **IM:A11/8259**
Computer and office equipment from businesses upgrading, 60,000 pounds now, 40,000 pounds per month, no amount restrictions, sample on request.
Kansas City, MO

Salvage **IM:A11/8368**
Salvage computer equipment, cables, hardware and other related material, no amount restrictions, sample on request.
Chesterfield, MO

Sandpaper Belts **IM:A11/8157**
Used sandpaper belts, size 52" x 103", primarily 36 grit, some 24, 150 and 180 grit, each belt 3 pounds, 156 belts (468 lbs) per week, no amount restrictions.
Marshfield, WI

Semi-gloss Enamel **IM:A11/2382**
Obsolete material, Tiotech black semi-gloss enamel paint, liquid, air dry for plastic, eight 5 gallon buckets available one time only, MSDS on request.
Auburn, IL

Shingle Scrap **IM:A11/3126**
Asphalt coated fiberglass shingle base material, 10-20 tons per week, sample and MSDS on request.
Summit, IL

Silica Sand **IM:A11/9046**
Silica sand from sand blasting steel process, 100 tons now, 20 tons per month, no amount restrictions, sample on request.
Confidential Listing

Silica Sand **IM:A11/8214**
Silica sand, alphaset binder system, resin coated from non-ferrous metal casting, dry, loose, occasional large blocks (3' X 4'), non-hazardous, special waste, pink brown & black in color, 16 ton per month, sample, lab analysis, MSDS on request.
Confidential Listing

Silica Sand **IM:A11/8222**
90-95% silica, 2-8% chromite, 2-8% zircon, trace metals, non-hazardous, brown and tan in color, grain size consistency, 1,700 tons per month, primary focus Midwest, will ship to any location, sample, analysis and MSDS on request.
Milwaukee, WI

Silica Sand **IM:A11/8129**
92.6% black silica sand, non-flammable, non-reactive, 130 tons per day, sample, lab analysis and MSDS on request.
Decatur, IL

Silica Sand **IM:A11/9073**
70-80% silica sand, 10-15% Fe, miscellaneous metals, 25 cubic yards per week, in dust collector bags, no amount restrictions, sample and lab analysis on request.
Granite City, IL

Slag **IM:A11/6112**
Granular slag containing 80% titanium dioxide TiO₂, non hazardous, several thousand tons available one time only, sample and lab analysis is available, preferred geographic range is Southern US.

Slate **IM:A11/9068**
Grey slate in solid sheets, broken in transit, both sides finished, 1" thick, irregular sizes, most are 32" X 50", 60,000 pounds now, 4,000 pounds per quarter, no amount restrictions, sample on request.
St. Louis, MO

Sodium Aluminosilicate **IM:A11/9228**
Molecular sieve from air separation process, sodium alumino-silicate, manufactured by UOP, eight tons in drums now, one ton per month, sample, analysis and MSDS on request.
Davenport, IA

Sodium Cable **IM:A11/8358**
Obsolete material, 500 mcm used sodium power cable, 6,825 pounds, on spool, available one time only, no amount restrictions.
Columbus, OH

Sodium Sulfite **IM:A11/0308**
Virgin material, 2,300 pounds of sodium sulfite, anhydrous, in fifty pound bags, available one time only, sample and MSDS on request.
Joplin, MO

Sodium Zeolite **IM:A11/0307**
Virgin material, 600 pounds of sodium zeolite in one hundred pound drums available one time only, sample and MSDS on request.
Joplin, MO

Stainless Steel **IM:A11/9092**
Continuous supply of 12 and 14 gauge 304 stainless steel, drop off between 4" and 8" wide by 120" long, polished with PVC on one side, 100 pieces now available, sample on request.
Carol Stream, IL

Steel Drums **IM:A11/2428**
200 open top enameled steel fifty-five gallon drums with lids and lock rings, 200 now available, 51 per month, MSDS available on request.
Somonauk, IL

Styrofoam Sheets **IM:A11/5130**
Styrofoam sheets sized 36" x 48" x 3/4" used as dunnage in air freight imports, 4 pallets now, 1-2 pallets per week available, no amount restrictions, sample on request.
Bensenville, IL

Sugar Water **IM A11 3109**
Sugar water from a panning process, contains sugar, flavor, and color from chewing gum manufacture, has very high BOD's, 100 gallon per day, bulk, sample and lab analysis on request.
Yorkville, IL

Sugar Water **IM:A11/8132**
Sugar water, from confectionery panning, 20% C₁₂H₂₂O₁₁, 20% C₆H₁₂O₆, 1% C₄H₆O₅, in H₂O, pH 2.1 - 4.8, 25% total solids, 8,000 pounds per week, no amount restrictions, sample on request.
Itasca, IL

Super Sacks **IM:A11/0272**
Empty supersacks, 1,000 and 2,000 pound capacity, dimensions 35" X 35" X 39", 35" X 35" X 60", can be used for non-human consumption, 1,500 sacks now, 100 sacks per week, sample and MSDS for product they contained.
Rockford, IL

Super Tropical Bleach **IM:A11/4129**
Virgin grade, dry powder calcium hypochlorite as bleaching agent used as a bleach with 30% free chlorine as an oxidizer, 3,500,000 pounds available one time only, sample, lab analysis and MSDS available.
Stafford, TX

Surfactants **IM:A11/0128**
Various surfactants, anionic, ionic and nonionic, 20 tons per month in drums, totes or bulk, can use for soap compounding, industrial lubricants, drilling muds and dispersants for ink and dye, sample, lab analysis and MSDS on request.
Lawrence, KS

Surfactants **IM:A11/0127**
Surfactant, alcohol ethoxysulfate, biodegradable anionic and nonionic, 20-30% active, some color, can use as lubricants, dust control, drilling mud, airplane wash or friction control, variable bulk quantities, minimum 20,000 pounds, sample and MSDS on request.
Lawrence, KS

Surplus Coatings **IM:A11/0162**
Over 750 colors, virgin powder coating, one million pounds in inventory, additional powders added regularly, no minimum quantity purchase requirements.
Grandville, MI

Tail Lights **IM:A11/0369**
Unused, tail lights, new, removed from truck chassis, 100 per month, sample on request.
Streator, IL

Tetrahydrofuran **IM:A11/8202**
Tetrahydrofuran from laboratory equipment calibration, colorless liquid, 65-67° C boiling point, 108° C melting point, flashpoint 1° F, vapor density 2.5, specific gravity .889, twenty liters in liter bottles per month, sample and MSDS on request.
Confidential Listing

Tobacco Fines **IM:A11/9133**
Stems and leaves chopped and/or ground from tobacco processing, use for bedding and fertilizer, 100,000 pounds now, 45,000 per month, sample and lab analysis on request.
Owensboro, KY

Used Brick **IM:A11/2422**
22,000 used clean bricks stamped "The Chicago Brick Co.", shrink-wrapped on pallets (40" x 48") approximately 470-480 bricks to a pallet, variable future supplies, one pallet minimum sample on request.
Confidential Listing

Vegetable Byproduct **IM:A11/0270**
Organic vegetable canning byproduct sludge, suitable for animal feed or land application, corn cobs and husks are chopped prior to bulk stocking, 60,000 tons made available July through October each year, sample on request.
Confidential Listing

Waste Fiberglass **IM:A11/8168**
Waste fiberglass filter media, silicon dioxide, urea/formaldehyde binder or water soluble, 600 pounds per month, sample and MSDS on request.
Northbrook, IL

Waste Powders **IM:A11/0149**
Waste powders, clay, glass frit and resin powder, white to gray in color, 2,000 pounds per month, sample and lab analysis on request.
Salem, IL

White Goods **IM:A11/8123**
Offering white goods with components removed, approximately 25 per month.
Confidential Listing

Zinc **IM:A11/2414**
Available one time only 15 gallons zinc powder used in coating operation, sample is available on request.
Peoria, IL

Zinc Hydroxide **IM:A11/8176**
Zinc hydroxide precipitator, 10-15% ZnOH, 8-13% FeO₄, non hazardous, green in color, 5,000 gallons per quarter, sample and lab analysis on request.
Schiller Park, IL

Wanted Material Listings

Acids

Calcium Hypochlorite **IM:W01/4155**
Wanted bulk quantities of calcium hypochlorite in excess of 1 ton up to 10,000 tons, must have more than 10% available chlorine, no amount restrictions.
Robstown, TX

Citric Acid **IM:W01/9232**
Wanted citric acid either granular or 50% minimum solution, bulk, drums or palletized, no amount restrictions.
Cypress, TX

Citric Acid **IM:W01/8240**
Wanted citric acid pickle solution used to pre-treat metal parts before applying a protective coating, minimal oil content preferred, sample or lab analysis requested.
Confidential Listing

Hydrochloric Acid **IM:W01/9233**
Wanted hydrochloric acid full strength only in bulk or drums, no amount restrictions, from Texas and surrounding states.
Cypress, TX

Phosphoric Acid **IM:W01/9234**
Wanted only 50% minimum phosphoric acid in bulk or drums, no amount restrictions.
Cypress, TX

Phosphoric Acid **IM:W01/9105**
Wanted 35% - 80% phosphoric acid, 1% aluminum, 1% iron, to manufacture of liquid fertilizer, will be used in Brook, IN.
Confidential Listing

Phosphoric Acid **IM:W01/0332**
Wanted phosphoric acid from aluminum etching process, in bulk or drums, no amount restrictions.
Cincinnati, OH

Phosphoric Acid **IM:W01/8241**
Wanted phosphoric acid pickle solution used to pre-treat metal parts prior to painting or plating, must not contain any nitric acid, minimal oil content preferred, sample and lab analysis requested.
Confidential Listing

Sulfuric Acid **IM:W01/9104**
Wanted 78 -93% sulfuric acid to use in manufacturing of granulated fertilizer, requires dehydration through adding high strength sulfuric acid, NO hazardous waste, need to know production the material comes from, tests will be run, to be used in Indiana.
Confidential Listing

Alkalis

Sodium Hydroxide IM:W02/6109

Wanted liquid sodium hydroxide in bulk, minor contaminants are allowable, can accept 10,000 gallons per week bulk, wanted from Midwest region.
Cincinnati, OH

Other Inorganic Chemicals

Ferrous Sulfate IM:W03/4162

Wanted bulk quantities of ferrous sulfate in excess of 1 ton up to 10,000 tons to be used as reagent for waste treatment.
Robstown, TX

Hydrogen Peroxide IM:W03/4157

Wanted bulk quantities hydrogen peroxide in excess of 1 ton up to 10,000 tons to be used as reagent for waste treatment.
Robstown, TX

Iron Disulfide IM:W03/4159

Wanted bulk quantities iron disulfide in excess of 1 ton up to 10,000 tons to be used as reagent for waste treatment.
Robstown, TX

Lime IM:W03/4160

Wanted bulk quantities of lime in all forms in excess of 1 ton up to 10,000 tons to be used as reagent for waste treatment.
Robstown, TX

Potassium Permanganate IMW03/4158

Wanted bulk quantities potassium permanganate in excess of 1 ton up to 10,000 tons to be used as reagent for waste treatment.
Robstown, TX

Sodium Metabisulfite IM:W03/4161

Wanted bulk quantities of sodium metabisulfite in all forms in excess of 1 ton up to 10,000 tons to be used as reagent for waste treatment.
Robstown, TX

Sodium Sulfite/Hydrosulfide IM:W03/4163

Wanted bulk quantities of sodium sulfite and sodium hydrosulfide in excess of 1 ton up to 10,000 tons to be used as reagent for waste treatment.
Robstown, TX

Solvents

Freon IM:W04/0204

Wanted freon products, virgin or dirty, bulk or drums, R-113, R-11 or R-12, sample on request.
Oley, PA

Methanol IM:W04/0209

Wanted methanol, must be 90-95% pure methanol, 5-10% H₂O allowable, in bulk or drums, sample requested.
Newark, NJ

Methanol or Ethanol IM:W04/0289

Wanted recovered methanol 99% or Ethanol, water 1% for waste water treatment, bulk, continuous supplies needed.
Haledon, NJ

Other Organic Chemicals

Antifreeze IM:W05/8228

Ethylene glycols wanted for re-refining, any quantities in bulk or drums, lab analysis requested.
Evansville, IN

Antifreeze IM:W05/0278

Ethylene glycol wanted from recycling, unlimited quantities accepted, lab analysis requested.
Indianapolis, IN

Freon IM:W05/9009

Wanted freon refrigerant gas, virgin or used, from anywhere in the United States, will pay for freight and provide containers, no amount restrictions.
Hurst, TX

Spent Catalysts IM:W05/0223

Wanted on-going quantities of spent catalyst with minimum of 2% vanadium, large quantities preferred, sample required, will pay for analysis.
Worthington, OH

Oils & Waxes

Fats and Oils IM:W06/8275

Wanted animal fats and vegetable oils with no heavy metals or chlorinated hydrocarbons, bulk, no amount restrictions.
Joliet, IL

Fats and Oils IM:W06/8064

Minimum of 50% fats and oils in water wanted for rendering, no amount restrictions.
Joliet, IL

Oil Wanted IM:W06/8179

Used bulk oil wanted from Midwest/south, no PCB's, 3% water maximum, in bulk quantities, no amount restrictions.
Confidential Listing

Oil Waste IM:W06/8098

Waste oil wanted, non-hazardous or D001, D004, D006, D007, D008, or D018, packaged in bulk, drums or pallets, continuous supplies wanted, no restrictions on amounts, preferred from IL, IN, IA and WI.
Hodgkins, IL

Oils IM:W06/4127

Wanted for recycling used or waste oil any grade, vegetable oil and oily water mixtures no quantity restriction from any location, truck or rail access.
St. Louis, MO

Oils/Waste IM:W06/8122

Wanted used or waste oils, fuels and water soluble oils, bulk or drums, no restrictions on amounts, wanted from Midwest for recycling, sample requested.
Peoria, IL

Oily Water Mixtures **IM:W06/8229**
Used oils and oily water mixtures wanted for recycling, bulk or drums, no amount restrictions, sample and lab analysis requested.
Evansville, IN

Soluble Oils **IM:W06/8097**
Water soluble oils, non-hazardous or D001, D004, D007, D008, D018 or D006, wanted for recycling, packaged in bulk or drums, no amount restrictions, wanted from Illinois, Indiana, Iowa and Wisconsin.
Hodgkins, IL

Used Oil **IM:W06/0245**
Wanted from Midwest, used water soluble oil from machining process, in bulk quantities, minimum amount 5,000 gallons, lab analysis is requested.
Wichita, KS

Used Oil **IM:W06/0222**
Wanted on-going quantities of waste oil residue with minimum of 2% vanadium, no amount restrictions, sample required, will pay for analysis.
Worthington, OH

Waste Oil **IM:W06/2450**
Wanted for recycling waste oil and water, continuous supplies needed, no amount restrictions, wanted from Illinois, Indiana, Iowa, Kentucky, and Missouri.
Belleville, IL

Waste Oils **IM:W06/4124**
Wanted used or waste oils, fuels and water soluble oils, any quantity, to be recycled into industrial fuel, wanted within 150-200 mile radius from St. Louis, Missouri.
Belleville, IL

Plastics & Rubber

Film **IM:W07/9089**
Wanted stretch wrap, bags and film, polyethylene and polypropylene, baled, will be processing over two million pounds of film per month, sample is required.
Somerset, KY

Fluid Totes **IM:W07/9187**
Wanted HDPE, high molecular weight, 100-500 gallon bladder liners for bulk fluid totes, 55 gallon drums and 5 gallon soda syrup barrels, triple rinse and certified if contained hazardous chemicals, wanted to recycle to plastic pellets, 6 million pounds per year needed.
North Canton, OH

Foam **IM:W07/8148**
Flexible foam wanted from manufacturers or users of furniture, carpet padding, quilting, mattresses, baled or loose, continuous supplies, from Midwest states.
Middleton, WI

HDPE **IM:W07/8208**
Wanted # 2 HDPE plastic pails empty of any water soluble product, clean or dirty, with labels and handles, from Midwest, no amount restrictions, sample on request.
Green Bay, WI

Inner Tubes **IM:W07/8145**
Butyl rubber inner tubes wanted in unlimited continuous quantities.
Hagersville, Ontario

PVC **IM:W07/8323**
Rigid PVC wanted for recycling, no amount restrictions, in bales, pallets and gaylords, from the US.
Chicago, IL

PVC Scrap **IM:W07/8016**
Wanted to buy truckload quantities of flexible PVC scrap, prefer segregated by color in bales or gaylords, in continuous quantities, payment terms negotiable, no amount restrictions, from USA or Canada.
Farmingdale, NY

Pails **IM:W07/8169**
Continuous supply wanted of five gallon pails, white or natural color, 90 mil. thick, must be clean of food or chemical contamination and meet DOT 39, no amount restrictions, sample requested.
Northbrook, IL

***Plastics** **IM:W07/7110**
Wanted in bulk, LDPE, clear film such as shrink, stretch wrap and furniture bags, PP super sacs, white woven bulk bags, independent analysis.
New York, NY

Plastic **IM:W07/6107**
Wanted various plastics: ABS, TPO, COPP, HDPE, GFPP, TPR, HOPP, and Santoprene, can use large quantities in continuous supplies from Mid-West region, sample requested.
Whitmore Lake, MI

Plastic Containers **IM:W07/5125**
Wanted; HDPE pails, buckets, trays, crates, totes of any kind, pallets, all material must be fairly clean, no hazardous chemicals, can take unlimited quantities, looking in the Northeastern US.
Rochester, NY

Plastic Containers **IM:W07/2373**
Wanted HDPE containers, 5 to 55 gallon drums, buckets, jug, containers, totes, detergent bottles, to be reprocessed to regrind for end user, unlimited quantities, sample requested
St. Louis, MO

Plastic Drums **IM:W07/2377**
Wanted 30 gallon drums from shipping food grad products, need 2,000 units per year, no amount restrictions on transfer amounts.
Shirland, IL

Plastics **IM:W07/5142**
Post consumer plastics wanted, polyethylene and polypropylene, milk and water cartons, dairy crates, car interiors and bumpers, pallets, trays, tanks, totes, racks, bins, crates, purges, scrap parts and plastic barrels, can take 30 million annually, sample, lab analysis or MSDS wanted, geographic range Iowa, Michigan, Minnesota, Wisconsin, Missouri, Indiana, Ohio, Kentucky, Kansas, and Illinois.
Tulsa, OK

Plastics IM:W07/0268
HDPE, EPDM, SBR, mixed color and natural, reinforcing nylon is okay, wanted from recycling centers, hose and weather-stripping manufacturing to produce recycled content products from containers to shingles, no amount restrictions.
Sterling, IL

Plastics IM:W07/0102
Wanted to purchase HDPE and polypropylene plastic, unground, with a melt range of 4-20, for injection molding process, continuous supply needed from Eastern and Midwest, sample requested.
Winchester, KY

Plastics IM:W07/8119
Polypropylene glycols, toluene/diphenylmethane diisocyanates, silicon oil, 15% maximum solids, any quantities.
Corona, CA

Plastics IM:W07/9218
Wanted post industrial and post consumer plastics, HDPE, LDPE and LLDPE for reprocessing, can utilize 30,000 pounds per month, in truckload quantities, sample requested.
Gardena, CA

Plastics IM:W07/8327
Wanted post industrial plastic scrap for reprocessing, looking for: LDPE, HDPE, ABS, Polycarbonates, PVC, PP and PET, truckload quantities, sample requested.
Lawrenceburg, IN

Poly-lined Bags IM:W07/8155
Wanted poly lined bags kraft bags with moisture barrier, continuous quantities balers provided, pick up daily, weekly, or monthly, truck load quantities needed, MSDS needed.
Confidential Listing

Polyurethane Foam IM:W07/8149
Wanted polyurethane foam, from furniture, fabricators, bedding and auto manufacturers, any size, color and shape, nationwide.
Swanton, OH

PVC IM:W07/0267
Wanted poly vinyl chloride parts from extruders, moulders, window fabricators and siding manufacturers, white or mixed colors, parts or ground, can utilize 100,00 pounds per week, would like sample.
Brantford, Ontario

Rigid PVC IM:W07/8290
Wanted rigid PVC, free of contamination, can use clear, white, black or other random colors, regrind and unground accepted.
Richmond, IL

Rubber Scrap IM:W07/2408
Wanted EPDM, SBR, Neoprene, Nitrile rubber scrap, black only, fully cured only, will not accept material containing metal, plastic, or fiber reinforcement, sample required.
Wapakoneta, OH

Rubber Scrap IM:W07/2389
Scrap rubber wanted, EPDM, SBR, Nitrile, Neoprene, Natural, must be all black in color, fully cured, and contain no reinforcement of any kind, truckload quantities and sample and MSDS wanted.
Wapakoneta, OH

Rubber Scrap IM:W07/8020
Wanted butyl rubber inner tubes for recycling, in any quantity or packaging from North America, no amount restrictions.
Laugna Niguel, CA

Telephone Equipment IM:W07/8143
Wanted obsolete telephone equipment in unlimited quantities wanted for resale or parts.
Hagersville, Ontario

Thermoset Plastic Scrap IM:W07/8135
Wanted urea-formaldehyde based thermoset plastic scrap, light colors, maximum 5% dark (black or brown), can utilize 30 kilograms per month.
Confidential Listing

Tyvek Garments IM:W07/9113
Wanted for recycling used disposable tyvek garments from cleanrooms and clean production areas, will pay or garments and transportation, any amount, any location, no restrictions on amounts.
Schererville,

Textiles & Leather

Burlap Polyester Fabric Scrap IM:W08/9116
Wanted polyester fabric scrap from clothing manufacturers for recycling, no amount restrictions.
Houston, TX

Waste Materials IM:W08/8082
Wanted waste cotton, polyester or synthetic fiber textiles wanted, various colors may be acceptable, no amount restrictions, sample needed.
North Little Rock, AR

Wood & Paper

Cardboard Boxes IM:W09/8079
Wanted clean and in good condition, gaylord size (4' x 4'), heavy-walled cardboard boxes, minimum partial truck load quantities in one time or continuous quantities.
Chicago, IL

Cones IM:W09/8283
Wanted empty paperboard serger spool cones and string spool cones, approximately 6 3/4" long by 2 3/4" wide, bulk, no amount restrictions.
Pottsville, AR

Corrugated Boxes IM:W09/9114
Wanted in good condition, corrugated boxes, minimum partial truckload quantities, one time or continuous basis.
St. Louis, MO

Corrugated Boxes **IM:W09/8062**

Wanted clean new or used corrugated boxes in minimum quantities of 2,000, for packaging and distributing products from wholesale distribution company.
Orlando, FL

Corrugated Cardboard **IM:W09/2406**

Wanted corrugated cardboard to be used as packing material, on pallets or bales, no amount restrictions from Northern Illinois or Southern Wisconsin.
Woodstock, IL

Corrugated Cardboard **IM:W09/4151**

Wanted sheets of corrugated cardboard in sizes 30" x 30" or larger in continuous supplies for Chicago area plant, sample is desired.
Skokie, IL

Pallets and Lumber **IM:W09/0276**

All sizes of pallets and certain scrap lumber than can be used in pallet repair, continuous supplies in variable quantities, no amount restrictions, Chicago respondents for shipping feasibility.
Confidential Listing

Plywood **IM:W09/4120**

Plywood wanted, half inch thick or more, 6" x 24" or larger, looking for continuous supplies, any quantities from Midwest, sample requested.
Taylorville, IL

Sawdust **IM:W09/8180**

Wanted bulk quantities dry sawdust from the Midwest/south, no amount restrictions.
Confidential Listing

Structural Timbers **IM:W09/2447**

Wanted from Midwest, heavy structural timbers from dismantled commercial buildings, most desirable species is Douglas Fir, (Yellow Pine and other possible), sizes are 6 x 6 and up, 15-30,000 board feet needed to build inventory, use approximately 15,000 board feet per quarter, no amount restrictions on shipment quantities.
Baraboo, WI

Wood **IM:W09/4152**

Wanted soft wood pine, cedar or balsa, unpainted, untreated and unstained, would prefer sizes 1 x 1 and 2 x 4's, a variety of shapes helpful, from Chicago suburban area, this will be used for children to build with in construction exhibit.
Naperville, IL

Wood **IM:W09/2374**

Wanted sawmill bark, kiln-dried sawdust and shavings, and ground (clear) wood, to be used for landscape materials, livestock bedding and remanufacturing, no amount restrictions.
Oslaloosa, IA

Wood Flour **IM:W09/0157**

Wood flour wanted from IL, MI, IN, WI, and OH, no amount restrictions.
Confidential Listing

Wood Pallets **IM:W09/0170**

Wanted wood pallets for recycling, want semi-truckload quantities from plant and industrial locations in Northern Illinois and Indiana.
Dyer, IN

Wood Sawdust or Shavings **IM:W09/3118**

Wanted soft or hardwood sawdust or shavings for animal bedding, no walnut accepted, bulk load quantities, North or Central Illinois, sample requested.
St. Charles, IL

Metals & Metal Sludges

Alumina **IM:W10/8270**

Scrap refractory beads or other alumina by-products, alumina trihydrate, no amount, location or packaging restrictions.
Pittsburgh, PA

Aluminum **IM:W10/4126**

Wanted any aluminum by-product, granules, dross, etc, no restrictions, any quantity, from any location.
Hammond, IN

Aluminum **IM:W10/8269**

Wanted aluminum grindings and residues of greater than 50% aluminum, no amount, location or packaging restrictions.
Pittsburgh, PA

Aluminum **IM:W10/8075**

Wanted for recycling aluminum dross, fines, skims and other non-ferrous metals, no amount restrictions.
St. Louis, MO

Aluminum Scrap **IM:W10/5120**

Wanted aluminum scrap packaged in any form, minimum shipment, no geographic restrictions.
Wabash, IN

Calcium Hydroxide **IM:W10/9164**

Wanted calcium hydroxide of 70% or greater CaO, in sludge, cake, granular or dust forms, can be packaged in bulk, bag, or super sack, from east of Rockies, no quantity restrictions.
Houston, TX

Circuit Boards **IM:W10/9026**

Wanted printed circuit boards for reuse as raw material, no amount restrictions.
Sag Harbor, NY

Copper **IM:W10/9159**

Wanted copper oxide residues of 30% or greater, in sludge, cake, granular or dust forms, can be packaged in bulk, bag, or super sack, from east of Rockies, no quantity restrictions.
Houston, TX

Copper Scrap **IM:W10/6124**

Wanted copper sulfate, copper hydroxide, cupric chloride, etc., wanted for industrial processing, in bulk or drums, continuous supplies preferred.
Cincinnati, OH

Copper Sulfate Crystal **IM:W10/8385**
Wanted copper sulfate crystal, need 5,000 pounds per month, acceptable geographic range east of Rocky Mountains.
Confidential Listing

Copper/Nickel Sludge **IM:W10/8141**
Wanted copper and nickel sludges and solutions, etchants, plating baths and strippers, pickle solution for recycling to produce metallic salts, no amount restrictions.
Fort Lee, NJ

Die Cast **IM:W10/8144**
Wanted die cast from automotive manufacturing, zinc, lead, kirksite, unlimited continuous quantities wanted.
Hagersville, Ontario

Heavy Metals **IM:W10/8260**
Wanted nickel, cobalt, molybdenum, chromium, titanium, tungsten, copper and vanadium for recovery by plasma melting RCRA "B", in bulk, drums, pallets and bales, no amount or frequency restrictions.
Wenonah, NJ

Iron **IM:W10/9163**
Wanted iron oxide residues of greater than 50%, in sludge, cake, granular or dust forms, can be packaged in bulk, bag, or super sack, from east of Rockies, no quantity restrictions.
Houston, TX

Iron/Steel **IM:W10/9028**
Wanted spent or used iron/steel shot or fines from shot blasting, must be dry and main constituent iron, in drums, unlimited amounts of truck load shipments wanted.
Confidential Listing

Magnesium **IM:W10/9161**
Wanted magnesium oxide residues of 45% or greater, in sludge, cake, granular or dust forms, can be packaged in bulk, bag, or super sack, from east of Rockies, no quantity restrictions.
Houston, TX

Magnesium Scrap **IM:W10/5121**
Wanted magnesium scrap packaged in any form, minimum shipment, no geographic restrictions.
Wabash, IN

Manganese **IM:W10/9162**
Wanted manganese oxide residues of 35% or greater, in sludge, cake, granular or dust forms, can be packaged in bulk, bag, or super sack, from east of Rockies, no quantity restrictions.
Houston, TX

Metal Shot **IM:W10/4128**
Wanted clean small metal shot for metal cleaning, in truck load quantities, packaged in drums, sample required, from any US location.
Tipton, IA

Metals **IM:W10/0153**
Wanted to buy sludges, cakes, grindings, catalysts, dusts, residues containing; Mo, CO, Ni, Cu, W, Nd, Ta, Sn, Bi, In, Ga, Ge, Au., Ag, and Pt or combinations of, will also accept Sn & Cu solutions.
Montreal, Quebec

Metals **IM:W10/0266**
Wanted cobalt, molybdenum, nickel and precious metals in sludges, filter cakes, grindings, fines, circuit boards and electronics for reclamation, no amount restrictions.
Thornton, CO

Metals **IM:W10/9086**
Wanted metals; precious, base, minor, hi-temp, from refining, smelting or alloying processes, Au, Ag, platinum group, Co, Ni, and Mo, minimum quantity 10,000 pounds, baled, drums or palletized, any geographic region, sample, analysis, or MSDS on request.
Confidential Listing

Metals **IM:W10/9219**
Wanted non-ferrous and specialty metals, aluminum, copper, nickel, cobalt, molybdenum in scrap waste or residues for recycling, no amount or geographic restrictions.
Cicero, IL

Metals **IM:W10/8312**
Wanted metals and metal sludges for recovery of nickel, cobalt, molybdenum, chromium, titanium, tungsten, copper, vanadium, bulk, drums or bales, continuous or one time supplies, no geographic restrictions.
Wenonah, NJ

Molybdenum Scrap **IM:W10/6123**
Wanted sodium molybdate, ammonium molybdate, etc. wanted for industrial processing, in bulk or drums, continuous supplies preferred.
Cincinnati, OH

Nickel **IM:W10/8071**
Wanted non-hazardous nickel sludges, over 10% nickel, must be exportable according to USEPA regulations.
Houston, TX

Nickel Cadmium Batteries **IM:W10/9036**
Wanted for recovery of metals nickel cadmium batteries, no amount or geographic range restrictions.
Wenonah, NJ

Nickel & Copper Bearing Waste **IM:W10/2416**
Wanted for recycling, nickel, copper, cobalt and precious metals in sludges, filter cakes, dust, grindings, swarf, solutions, etc., any container, no amount restrictions, sample requested.
Pottsville, PA

Phosphate **IM:W10/0334**
Wanted high phosphate residue waste material from phosphate treating of metal surfaces including iron, aluminum or zinc.
Rolla, MO

Recoverable Metals **IM:W10/9200**
Wanted for recycling, sludge, dust, grindings, solids, catalyst, swarf, solution, etc. containing recoverable nickel, cobalt, zinc or copper, in any container, truck loads preferred, willing to pay top prices.
Oakwood Village, OH

Sands **IM:W10/2420**
Wanted used foundry sands, slags, mill scale, dust and grindings in continuous supplies, sample, lab analysis or MSDS will be requested.
Hillsboro, MO

Scrap Metals IM:W10/8080
Wanted non-ferrous scrap metals, will not accept batteries, oversize items, radioactive or hazardous materials, unlimited quantities, sample, lab analysis or independent analysis needed.
Chicago, IL

Zinc IM:W10/9160
Wanted zinc oxide residues of 45% or greater, in sludge, cake, granular or dust forms, can be packaged in bulk, bag or super sack, from east of Rockies, no quantity restrictions.
Houston, TX

Zinc Scrap IM:W10/5122
Wanted zinc scrap packaged in any form, minimum shipment, no geographic restrictions.
Wabash, IN

Miscellaneous

Aluminum IM:W11/9189
Wanted aluminum and aluminum laminated packaging material for recycling, may contain up to 75% non-aluminum material, no quantity restrictions.
Libertyville, IL

Batteries IM:W11/2399
Wanted lead, nickel-cadmium, mercury, and zinc containing batteries for dismantling of batteries and recycling of metal bearing components, in bulk drums, pallets or bales, no amount restrictions, acceptable geographic range MT, NE, SD, ND, MN, IA, IL, WI, IN, OH, and MI.
Pecatonica, IL

Batteries IM:W11/9201
Wanted used (spent) lead acid storage batteries for recycling, no amount restrictions, any quantity.
Belleville, IL

Batteries IM:W11/8191
Wanted useable nicad and nickel iron batteries, 40 amp hour or larger preferred, smaller sizes will be considered.
Montezuma, IN

Building Materials IM:W11/9137
Wanted any unmarketable but usable building materials to be used for affordable housing programs, any quantities of any items or material needed continuously.
Chicago, IL

Catalysts IM:W11/8354
Wanted bulk quantities, non-hazardous catalysts, wanted on continual basis, sample and TCLP required.
Shaker Heights, OH

Compacitors and Ballasts IM:W11/2402
Wanted PCB and non-PCB capacitors and ballasts for recycling, in bulk drums, pallets or bales, no amount restrictions, acceptable geographic range MT, NE, SD, ND, MN, IA, IL, WI, IN, OH, and MI.
Pecatonica, IL

Computer Equipment IM:W11/2401
Wanted PC's, monitors, keyboards and printers for recycling, in bulk drums, pallets or bales, no amount restrictions, acceptable geographic range MT, NE, SD, ND, MN, IA, IL, WI, IN, OH, and MI.
Pecatonica, IL

Consumer Commodities IM:W11/4140
We are looking for packaged consumer goods such as personal care products and health and beauty aids, any off-spec, expired shelf life, misprints, this is wanted to recycle, reuse or reformulate so your identity will not be displayed, have ability to take 20 tons continuous supply, MSDS is required.
High Point, NC

Copier & Printer Supplies IM:W11/0109
Wanted all types of toner, developer and other related supplies for copiers, printers and fax machines, only new unused items wanted except for laser printer cartridges, any quantities, will require list of available material for price quote.
San Jose, CA

Copier Supplies IM:W11/0154
Wanted large or small quantities, copier toner, developer, and dry ink, surplus or salvage, will pay shipping, list of excess obsolete supplies and inventory requested.
Landover, MD

Drums IM:W11/9171
Wanted in good condition, five to fifty-five gallon fiber drums, with lids, rings, and U.N., DOT stamped for shipping hazardous waste, wanted from Southeastern Wisconsin or Northern Illinois.
Milwaukee, WI

Electric Motors IM:W11/0232
Wanted A.C. and D.C. electric motors and electric switchgear, specializing in larger 200 Hp plus A.C. and D.C. electric motors, will accept continuous supplies or one time supply, no amount restrictions.
Baton Rouge, LA

Electric Transformers IM:W11/0214
Wanted electrical transformers, oil filled, 0-5,000 ppm PCB and non-PCB, testing available for PCB content, no amount restrictions.
Plainfield, IN

***Electronics** IM:W11/7105
All consumer and commercial computers, plus electronics and heavy machinery wanted for recycling, will take continuous supplies, no amount restrictions.
St. Louis, MO

***Electrowinning Mud** IM:W11/7104
High end values of platinum, palladium and rhodium mud collected by electrowinning wanted, 2 to 5 pounds per month, sample and or independent analysis requested.
Irving, TX

Equipment IM:W11/9170
Wanted used telecommunications equipment, all major brands of telephone equipment, on continuous basis, from USA and Canada, no amount restrictions.
Seattle, WA

Ferrophosphorus Slag **IM:W11/0224**
Wanted on-going quantities of ferrophosphorus slag with minimum 2% vanadium, sample required, will pay for analysis.
Worthington, OH

Fiber Drums **IM:W11/8181**
Wanted fiber drums (product containers) from Midwest/south, in truckload quantities, with no contaminants.
Confidential Listing

Fluorescent Lighting Ballasts **IM:W11/9008**
Wanted ballasts containing PCB's or DEHP, will incinerate the PCB/DEHP material and recycle uncontaminated metals, no amount restrictions.
Bronx, NY

Fluorescent Lamps **IM:W11/8057**
Fluorescent lamps from relamping, changing bulbs in bulk quantities from USA.
Fridley, MN

Fluorescent Lights **IM:W11/0217**
Wanted for recycling, fluorescent lamps and ballasts from relamping or retrofits, bulk quantities on continuous basis.
Mokena, IL

Fly Ash **IM:W11/4166**
Wanted bulk quantities of fly ash in excess of 1 ton up to 10,000 tons to be used as reagent for waste treatment.
Robstown, TX

Grinding Wheels **IM:W11/9188**
Wanted grinding wheels, 50% or greater, silicon carbide, rebar enforced wheels may be acceptable, any quantity in bulk or drums accepted.
Libertyville, IL

Lab Chemicals **IM:W11/9138**
Wanted miscellaneous lab chemicals, tech grade or better, including solvents, reagents, pharmaceuticals, misc. organic and inorganic, common use chemicals, small or large quantities.
La Mesa, CA

Lamp Ballasts **IM:W11/8056**
Wanted lamp ballasts, PCB's from retro-fitting from USA.
Fridley, MN

Latex Paint **IM:W11/2397**
