

UNDERGROUND INJECTION CONTROL (UIC)
FINAL PERMIT DECISION

The Illinois Environmental Protection Agency provides notice pursuant to 35 Ill. Admin. Code 705.201(c) that a final UIC permit was issued to Archer Daniels Midland Company of Decatur, Illinois on December 23, 2008. The Agency's response to comments, the Response Summary and Attachment 1, are available at the Illinois EPA web site at the following link: <http://www.epa.state.il.us/public-notices/general-notices.html> (Scroll 1/3 of the way down the page to select documents posted concerning the Archer Daniels Midland project.)

Specific information must be submitted to the Agency as either permit modification requests or as supplemental information for review and approval prior to ADM's use of the injection well. Please review the lists of these data requirements on page 2 of the Response Summary.

The applicant may petition the Illinois Pollution Control Board to contest this permit decision pursuant to 35 Ill. Adm. Code 705.212. Third parties also have appeal rights pursuant to 35 Ill. Adm. Code 705.212. Appeals must be filed within 35 days of the decision date. The deadline to appeal the Illinois EPA permit decision is January 27, 2009. For additional information on the permit appeal process, please contact the Illinois Pollution Control Board Offices in Springfield (217-524-8500), or Chicago (312-814-3620).

To receive a paper copy of the final UIC permit for ADM or the Illinois EPA Response Summary and Attachment 1, please contact:
