

NOTICE OF PUBLIC MEETING

Little Vermilion River/Georgetown Lake Watershed (Vermilion County)

The Illinois Environmental Protection Agency (IEPA) Bureau of Water
will hold a public meeting on

Wednesday, April 9, 2008, at 6:00 pm

at the

**American Legion Hall (Post 203)
106 East West Street
Georgetown, Illinois**

The purpose of this meeting is to provide an opportunity for the public to comment on the proposed Total Maximum Daily Load (TMDL) implementation plan for Little Vermilion River/Georgetown Lake Watershed.

This implementation plan details the recommendations for reducing total pollutant loads that are necessary for meeting the approved TMDL for this watershed.

.

The IEPA implements the TMDL program in accordance with Section 303(d) of the federal Clean Water Act. A TMDL is the sum of the allowable amounts of a single pollutant (phosphorus, metals, etc.) that a waterbody can receive from all contributing sources and still meet water quality standards or designated uses.

The draft Little Vermilion River Watershed and Georgetown Lake Watershed implementation plan reports will be available on-line at www.epa.state.il.us/public-notice. A hard copy of the draft implementation plan reports will also be available by request from the Illinois EPA or may be found at the Georgetown City Hall and Vermilion County Soil and Water Conservation District during business hours.

Questions about the TMDL should be directed to Dean Studer (see contact information below).

Closure of the Meeting Record

The meeting record will close as of midnight, May 9, 2008. Written comments need not be notarized but must be postmarked before midnight and mailed to:
