

How to Use this Directory

This Directory was created by the Illinois EPA to provide small businesses with quick and easy access to Illinois EPA personnel. It is our hope that this Directory will help provide better service to our small business customers as well as others. If at any time you cannot locate the topic you are looking for, please call the **toll-free Environmental Helpline** at **888/372-1996**. A Helpline operator will assist you with any questions or concerns you may have or put you in touch with one of our expert staff members throughout the Illinois EPA. If you choose, you may remain anonymous.

Also available for your convenience is our **Small Business Online Helpline** where you can submit your questions via the Internet at **<http://www.epa.state.il.us/small-business/help-line.html>**.

We would like to encourage you to respond to our **Quick Answer Directory Fax/Mail Back Form** located at the end of the Directory. With your feedback to some brief questions, we can work to improve the Directory and make it more user friendly.

Now available on page 45 of this Directory is a **Fact Sheet Request Form**. This form includes a listing of facts sheets available from the Office of Small Business. To obtain a copy of any of the fact sheets, just fill out the form and fax it to us or call us toll-free on the Helpline.
