RE: Greenville Livestock, Inc.

Mr. Yurdin,

Please find attached an NPDES Permit application and supporting documentation for Greenville Livestock, Inc. This application was originally sent erroneously to Mr. Mike Garretson of your Agency as per the request of Cheryl Burdett of the U.S. EPA, on December 23, 2008. Recently, we were notified that this application was not forwarded to your Department, therefore a new submission is attached.

The intention of this application is to provide a request for Coverage under the General NPDES Permit. In addition to the application, included are the Storm Water Pollution Prevention Plan, Site Plan, Emergency Response Plan, and Nutrient Management Plan as required.

Notice of Intent to Construct and related documentation has been filed with the Illinois Department of Agriculture on December 23, 2008, and approval should be forthcoming.

Please contact me if you have any further questions regarding this re-submission. On behalf of Greenville Livestock, we thank you for such consideration.

Sincerely,

Steve Westerbuhr, P.E.

Please print or type in the unshaded areas only
