

Special Conditions**Construction Authorization**

The facility is an existing, approximately 3,825 acre limestone quarry designated as Hanson Material Service – Fairmount Stone Quarry located in Section 6, 7, 8, ,9, 16, 17, 18, 20 and 21, T18N, R13W of the 3rd P.M. and Section 11, 12, and 13, T18N, R14W of the 3rd P.M. in Vermillion County near Fairmount. Mining operations include the drilling, blasting, excavation, crushing, screening, and stockpiling of limestone aggregate. Surface runoff is directed to quarry ponds. Mining operations result in discharges of surface runoff, groundwater seepage, and pit pumpage/dewatering at an average rate of 7.05 MGD from Outfall 001 to Jordan Creek, a maximum rate of 0.72 MGD from Outfall 002 to Salt Fork of Little Vermillion River, an average rate of 1.32 MGD from Outfall 004 to Salt Fork of Little Vermillion River, and a maximum rate of 0.86 MGD from Outfall 005 to Olive Branch.

Storm Water Pollution Prevention Plan: Authorization is hereby granted to construct treatment works and related equipment that may be required by the Storm Water Pollution Prevention Plan developed pursuant to this permit. Discharging sedimentation ponds are not covered under the Storm Water Pollution Prevention Plan authorization, unless they discharge to a non-coal outfall specifically identified in a construction authorization under this permit.

This Authorization is issued subject to the following condition(s).

- a. If any statement or representation is found to be incorrect, this authorization may be revoked and the permittee thereupon waives all rights thereunder.
- b. Plans and specifications of all treatment equipment being included as a part of the storm water management practices shall be included in the SWPPP.
- c. Any modification of or deviation from the plans and specifications in the initial SWPPP requires amendment of the SWPPP.
- d. Construction activities which result from treatment equipment installation, including clearing, grading and excavation activities which result in the disturbance of land area must meet the conditions of this permit.
